Structure, governance and management

Kingdom Builders UK is a Charitable Incorporated Organisation (CIO) governed by constitution. The trustees of Kingdom Builders UK will be first nominated according to the nominating committee of the Free Methodist Church UK & Ireland, second approved following a vote by the members of the Free Methodist Church UK & Ireland Annual Conference and finally appointed by a resolution passed by the trustees of Kingdom Builders UK. Trustees will serve for a term of 2 years with a review after 6 and 18 months.

Objectives and activities

The charity's objective is the advancement of the Christian faith in the UK for the public benefit, mainly, but not exclusively, by means of supporting the establishment of new church groups, and providing administration, professional and technical support, and guidance to new and established church groups, and other ministries, in particular, but without limitation, those connected with the Free Methodist Church UK.

Our missionary focus is the whole of the United Kingdom. The focus continues in our connection and involvement with the ministry of the Free Methodist Church internationally.

Seeking to support the vision of 100 churches and more by 2034, Kingdom Builders UK exists primarily for the purpose of raising financial support to enable church plants connected with the Free Methodist Church UK & Ireland. Once this vision has been fulfilled Kingdom Builders UK will continue to raise finance for further church plants.

As a secondary purpose, Kingdom Builders UK looks to provide financial support to enable significant local church vision for fruitful multiplication and the breaking of new ground within the Free Methodist Church UK & Ireland.
