Section D Achievements and performance

Summary of the main achievements of the charity during the year

Our fund raising increased this year thanks to the generosity of kind individuals. During this period, we used social media platforms to provide positive support and information to an estimated 900 individuals and groups. Some of the people we assisted just needed guidance and support to find the information they were looking for. In order to protect our core funds, the trustees personally provided small grants. We provided assistance through email, phone, and in-person meetings.

Examples of how we helped -

Our trustee once again stepped in to provide assistance and support to disabled members of parliament this year, as there appears to be a lack of support, especially in the House of Lords. The Haigh Foundation remains committed to campaigning for better assistance there.

There was a child we found out about who has a rare brain condition, and their parents are searching for more specialists. We supplied them with a list of top specialists in this field and they were very grateful.

Conducted a trial of a new initiative named ARK (Acts of Random Kindness). We randomly paid for disabled individuals' cafe/bar expenses in London and other locations. Providing surprise payments for coffees made a positive impact on them.

Section E — Financial review
