OBJECTIVES AND ACTIVITIES

Significant activities and application of income and property

4. POWERS

The CIO has power to do anything which is calculated to further its objects or is conducive or incidental to doing so. In particular, the CIO's powers include power to:

(a) borrow money and to charge the whole or any part of its property as security for the repayment of the money borrowed. The CIO must comply as appropriate with sections 124 and 125 of the Charities Act 2011 if it wishes to mortgage land.

(b) buy, take on lease or in exchange, hire or otherwise acquire any property and to maintain and equip it for use.

(c) sell, lease or otherwise dispose of all or any part of the property belonging to the CIO. In exercising this power, the CIO must comply as appropriate with sections 117 and 119-123 of the Charities Act 2011.

(d) employ and remunerate such staff as are necessary for carrying out the work of the CIO. The CIO may employ or remunerate a charity trustee only to the extent that it is permitted to do so by clause 6 (Benefits and payments to charity trustees and connected persons) and provided it complies with the conditions of those clauses.

(e) deposit or invest funds, employ a professional fund-manager, and arrange for the investments or other property of the CIO to be held in the name of a nominee, in the same manner and subject to the same conditions as the trustees of a trust are permitted to do by the Trustee Act 2000.

5.2 None of the income or property of the CIO may be paid or transferred directly or indirectly by way of dividend, bonus or otherwise by way of profit to any member of the CIO. This does not prevent a member who is not also a charity trustee receiving:

(a) a benefit from the CIO as a beneficiary of the CIO.

(b) reasonable and proper remuneration for any goods or services supplied to the CIO.

5.3 Nothing in this clause shall prevent a charity trustee or connected person receiving any benefit or payment which is authorised by clause 6.

OBJECTIVES AND ACTIVITIES

Public benefit

Purposes and public benefit (Part 1)

(a) What IGPME does and how -

The International Group for the Psychology of Mathematics Education organizes an annual conference in collaboration with the local organizers. PME finds a capable local organizer and makes an agreement with them about organizing the conference in a way that guarantees the scientific quality of the program and preserves the collaborative and inclusive spirit of PME. PME selects members to the international program committee of the conference that is responsible for the scientific program of the conference. PME also provides financial guarantee in case of a loss for organizing the conference and when the conference makes surplus, the surplus is donated for PME.

As an outcome of the yearly conference there is a proceedings of the scientific papers, which PME publishes online freely for anyone to read. The scientific activities and researcher networking at the conference often lead to collaborative publications, research projects, and collaborative projects for mathematics education development or provide support for similar activities that have started elsewhere.

PME also organizes publication of scientific books. So far, PME has published two handbooks summarizing the scientific output of PME activities.

PME conference fee includes a donation to Skemp Fund that provides scholarships for mathematics education researchers who come from underrepresented countries and are facing financial or other difficulties that make their participation to international conferences difficult. A subcommittee nominated by the board of trustees decides which of the applicants will receive grants.

PME helps finding academic support for writing a PME conference paper for those early career researchers who are struggling with academic English or have not sufficiently experienced supervisor in their own institute. The surplus from yearly conferences has been used for supporting regional conferences in areas where few researchers have been actively engaged with PME activities. So far, these regional conferences have been organized in Chile and Russia. PME supports also other special projects. Both regional conferences and special projects are funded based on application. The board of trustees - or, in case of funding over 5 000€, the AGM - decides which projects to fund.

(b) IGPME's purpose is beneficial -

Historically, research into the teaching and learning of mathematics was carried out either by mathematicians or psychologists, with little collaboration or interaction between the two distinct disciplinary groups. PME brings these groups together, to form an international research community stronger than the sum of its parts.

The public benefit of PME is the advancement of education. All societies believe that education benefits both the individual learner and society at large, by contributing to economic prosperity and also to the cultural and spiritual well-being of society. The ultimate purpose of all research in the field of mathematics education is to improve the quality of mathematics instruction at all phases of education and in all educational settings, thereby to understand and improve the quality of students' experience of learning mathematics and their enjoyment and mastery of the subject. The reasons for this endeavour include the economic prosperity of nations and their ability to compete internationally, as well as to promote the well-being, intellectual and aesthetic fulfilment of individuals, and their ability to engage in and contribute to the cultural life of their communities.

Mathematics, perhaps more than any other school subject, leaves a large part of the UK population with feelings of disaffection, alienation and helplessness. It is socially acceptable to claim that one is "no good at maths", when nobody would admit to being unable to read (say) with the same equanimity. This has consequences for individual autonomy and for the UK economy.

OBJECTIVES AND ACTIVITIES

The improvement of mathematics teaching and learning is tackled on several fronts, but research in mathematics education underpins (or should underpin) all of them. This goal is evident in the diverse activities of PME, such as those focusing on: mathematics didactics (the systematic science of instruction); investigations into students' ways of knowing and understanding mathematics, learners' mathematical misconceptions and ways of addressing them in instruction; and on mathematics teacher education. In order to be rigorous, all research in mathematics education must be founded on firm theoretical principles and methods, and basic research devoted to 'theory' is a significant part of every PME Conference.

PME members take what they gain from their participation in the Conferences back to their respective countries of work and study, where they are leading authorities in and contributors to national and regional initiatives in connection with schooling, teacher education and university mathematics teaching. In most countries, for example, it is these experts who are given responsibility for the writing and revision of mathematics curricula and approved textbooks. A crucial contribution of PME to this national activity by its members is the international character of the PME community: exposure to practices in other countries motivates us to question and critically evaluate our own traditions and habitual practices, and thereby to sustain what is good and to change what could be done differently and perhaps better.

Many PME members also act as consultants to various agencies contracted to work with developing countries in the reform of their mathematics curricula, related instructional materials, and mathematics teacher education. In this way, PME plays an essential role as the intellectual power-house behind the improvement of mathematics teaching and learning across the world.

Purposes and public benefit (Part 2)

(a) All those with an interest in mathematics education including academics, researchers, teaching professionals and students, can benefit from the organisation's purpose

13. Operating and public benefit (Part 1)

(a) PME Annual General Meeting (AGM) has decided that all expenditure that exceeds 5 000€ should be approved by the AGM. Expenses authorized by an AGM decision or expenses that fall under the 5 000€ threshold are either decided by the board of trustees or by a subcommittee nominated by the board of trustees.

(b) PME's main focus each year is to provide and prepare an annual conference within an agreed country as mentioned earlier in this section.

(c) PME has developed criteria / policy set out by the trustees regarding the making of grants and this lays within our Skemp Fund grant making policy.

14. Operating and public benefit (Part 2)

(a) The conference fee includes a membership fee for that year. Hence, a participant of a conference automatically becomes a member.

To be eligible for regional conference or special project support, the main applicant needs to be PME member.

(b) PME conference proceedings are available online for anyone freely to read.

15. Operating and public benefit (Part 3)

(a) The charity charges a fee for attendance at its annual conference. Attendees may apply for a grant from the Richard Skemp Memorial Fund. This Fund was established to provide financial support for prospective PME participants from under-represented countries, or countries in which no financial support is available, in order to allow them to attend the conference.

(b) We realize that travelling (usually flying) to the annual conference increases conference participants' carbon emissions.

(c) The board of trustees gets refunded their hotel stay for the extra nights they have to because of the board meetings before and after the annual conference. They are also provided meals during the board meetings.

The members of the international program committee (IPC) are refunded for their travel expense to the meeting at the conference venue. The president visits the venue twice before the conference and the other IPC members visit the venue once before the conference.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Decision making and General Meetings of Members

10. MEMBERS' DECISIONS

10.1 General provisions

Except for those decisions that must be taken in a particular way as indicated in clause 10.4, decisions of the members of the CIO may be taken either by vote at a general meeting as provided in clause 10.2 or by written resolution as provided in clause 10.3.

10.2 Taking ordinary decisions by vote

Subject to clause 10.4, any decision of the members of the CIO may be taken by means of a resolution at a general meeting. Such a resolution may be passed by a simple majority of votes cast at the meeting including votes cast virtually.

10.3 Taking ordinary decisions by written resolution without a general meeting

(a) Subject to clause 10.4, a resolution in writing agreed by a simple majority of all the members who would have been entitled to vote upon it had it been proposed at a general meeting shall be effective, provided that:

(i) a copy of the proposed resolution has been sent to all the members eligible to vote; and
(ii) a simple majority of members has signified its agreement to the resolution in a document or documents which are received at the principal office within the period of 28 days beginning with the circulation date. The document signifying a member's agreement must be authenticated by their signature (or in the case of an organisation which is a member, by execution according to its usual procedure), by a statement of their identity accompanying the document, or in such other manner as the CIO has specified.

(b) The resolution in writing may comprise several copies to which one or more members has signified their agreement.

(c) Eligibility to vote on the resolution is limited to members who are members of the CIO on the date when the proposal is first circulated in accordance with clause 10.3(a).

(d) Not less than 10% of the members of the CIO may request the charity trustees to make a proposal for decision by the members.

(e) The charity trustees must within 21 days of receiving such a request comply with it if:

(i) the proposal is not frivolous or vexatious, and does not involve the publication of defamatory material;

(ii) the proposal is stated with sufficient clarity to enable effect to be given to it if it is agreed by the members; and

(iii) effect can lawfully be given to the proposal if it is so agreed.

(f) Clause 10.3(a), clause 10.3(b) and clause 10.3(c) apply to a proposal made at the request of members.

10.4 Decisions that must be taken in a particular way

(a) Decisions to appoint trustees at annual general meetings must be taken by positional voting (to be set out in detail by the charity trustees) but this does not affect the power given to the members or the charity trustees in clause 13.1(d) to appoint a new trustee on a temporary basis.

(b) Any decision to remove a trustee must be taken in accordance with clause 15.2.

(c) Any decision to amend this constitution must be taken in accordance with clause 28 of this constitution (Amendment of Constitution).

(d) Any decision to wind up or dissolve the CIO must be taken in accordance with clause 29 of this constitution (Voluntary winding up or dissolution). Any decision to amalgamate or transfer the undertaking of the CIO to one or more other CIOs must be taken in accordance with the provisions of the Charities Act 2011.

11. GENERAL MEETINGS OF MEMBERS

11.1 Types of general meeting

There must be an annual general meeting (AGM) of the members of the CIO which can be held in person, as a virtual meeting or as a hybrid meeting. The first AGM must be held within 18 months of the registration of the CIO, and subsequent AGMs must be held at intervals of not more than 15 months. The AGM must receive the annual statement of accounts (duly audited or examined where applicable) and the trustees' annual report, and must elect trustees as required under clause 13.

Other general meetings of the members of the CIO may be held at any time in person, as a virtual meeting or as a hybrid meeting.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Subject to the following provisions a person attending a meeting virtually shall have the same rights to receive notice, speak, vote and otherwise participate in the meeting as he or she would have if attending the meeting in person.

All general meetings must be held in accordance with the following provisions.

11.2 Calling general meetings

(a) The charity trustees:

- (i) must call the annual general meeting of the members of the CIO in accordance with clause 11.1, and identify it as such in the notice of the meeting; and
- (ii) may call any other general meeting of the members at any time.

(b) The charity trustees must, within 21 days, call a general meeting of the members of the CIO if:

(i) they receive a request to do so from at least 10% of the members of the CIO; and

If, at the time of any such request, there has not been any general meeting of the members of the CIO for more than 12 months, then this sub-clause shall have effect as if 5% were substituted for 10%.

(ii) the request states the general nature of the business to be dealt with at the meeting, and is authenticated by the member(s) making the request.

(c) Any such request may include particulars of a resolution that may properly be proposed, and is intended to be proposed, at the meeting.

(d) A resolution may only properly be proposed if it is lawful, and is not defamatory, frivolous or vexatious.

(e) Any general meeting called by the charity trustees at the request of the members of the CIO must be held within 28 days from the date on which it is called.

(f) If the charity trustees fail to comply with this obligation to call a general meeting at the request of its members, then the members who requested the meeting may themselves call a general meeting.

(g) A general meeting called in this way must be held not more than 3 months after the date when the members first requested the meeting.

(h) The CIO must reimburse any reasonable expenses incurred by the members calling a general meeting by reason of the failure of the charity trustees to duly call the meeting, but the CIO shall be entitled to be indemnified by the charity trustees who were responsible for such failure.

11.3 Notice of general meetings

(a) The charity trustees, or, as the case may be, the relevant members of the CIO, must give at least 14 clear days notice of any general meeting to all of the members, and to any charity trustee of the CIO who is not a member.

(b) If it is agreed by not less than 90% of all members of the CIO, any resolution may be proposed and passed at the meeting even though the requirements of the above sub-clause have not been met. This sub-clause does not apply where a specified period of notice is strictly required by another clause in this constitution, by the Charities Act 2011 or by the General Regulations.

(c) The notice of any general meeting must:

- (i) state the time and date of the meeting;
- (ii) state the format of the meeting (in person, virtual or hybrid)
- (iii) give the address and/or the link to the virtual platform or signing in codes at which the meeting is to take place;
- (iv) give particulars of any resolution which is to be moved at the meeting, and of the general nature of any other business to be dealt with at the meeting;
- (v) if a proposal to alter the constitution of the CIO is to be considered at the meeting, include the text of the proposed alteration; and

**Report of the Trustees
for the Year Ended 31 December 2022**

STRUCTURE, GOVERNANCE AND MANAGEMENT

(vi) include, with the notice for the AGM, the annual statement of accounts and trustees' annual report, or where allowed under clause 22 (Use of electronic communication), details of where the information may be found on the CIO's website.

(d) Proof that an envelope containing a notice was properly addressed, prepaid and posted; or that an electronic form of notice was properly addressed and sent, shall be conclusive evidence that the notice was given. Notice shall be deemed to be given 48 hours after it was posted or sent.

(e) The proceedings of a meeting shall not be invalidated because a member who was entitled to receive notice of the meeting did not receive it because of accidental omission by the CIO.

11.4 Chairing of general meetings

The person elected as president by the members under clause 13.2 (Elected president of the charity trustees), shall, if present at the general meeting and willing to act, preside as chair of the meeting. Subject to that, the members of the CIO who are present at a general meeting shall elect a chair to preside at the meeting.

11.5 Quorum at general meetings

(a) No business may be transacted at any general meeting of the members of the CIO unless a quorum is present when the meeting starts.

(b) Subject to the following provisions, the quorum for general meetings shall be the greater of 4% or three members present and entitled to vote upon the business of the meeting. A person shall be deemed to be present by attending either in person or virtually where arrangements for virtual attendance have been made. An organisation represented by a person present at the meeting in accordance with clause 11.8, is counted as being present.

(c) If the meeting has been called by or at the request of the members and a quorum is not present within 15 minutes of the starting time specified in the notice of the meeting, the meeting is closed.

(d) If the meeting has been called in any other way and a quorum is not present within 15 minutes of the starting time specified in the notice of the meeting, the chair must adjourn the meeting. The date, time and place at which the meeting will resume must either be announced by the chair or be notified to the CIO's members at least seven clear days before the date on which it will resume.

(e) If a quorum is not present within 15 minutes of the start time of the adjourned meeting, the member or members present at the meeting constitute a quorum.

(f) If at any time during the meeting a quorum ceases to be present, the meeting may discuss issues and make recommendations to the trustees but may not make any decisions. If decisions are required which must be made by a meeting of the members, the meeting must be adjourned.

11.6 Voting at general meetings

(a) Any decision other than one falling within clause 10.4 (decisions that must be taken in a particular way) shall be taken by a simple majority of votes cast at the meeting. Every member has one vote unless otherwise provided in the rights of a particular class of membership under this constitution.

(b) A resolution put to the vote of a meeting shall be decided on a show of hands or corresponding virtual procedures, unless (before or on the declaration of the result of the show of hands) a poll is duly demanded. A poll may be demanded by the chair or by at least 10% of the members present at the meeting.

(c) A poll demanded on the election of a person to chair the meeting or on a question of adjournment must be taken immediately. A poll on any other matter shall be taken, and the result of the poll shall be announced, in such manner as the chair of the meeting shall decide, provided that the poll must be taken, and the result of the poll announced, within 30 days of the demand for the poll.

**Report of the Trustees
for the Year Ended 31 December 2022**

STRUCTURE, GOVERNANCE AND MANAGEMENT

(d) A poll may be taken:

- (i) at the meeting at which it was demanded; or
- (ii) at some other time and place specified by the chair; or
- (iii) through the use of electronic communications.

(e) In the event of an equality of votes, whether on a show of hands or corresponding virtual procedures or on a poll, the chair of the meeting shall have a second, or casting vote.

(f) Any objection to the qualification of any voter must be raised at the meeting at which the vote is cast and the decision of the chair of the meeting shall be final.

11.7 Electronic Voting

(a) The charity trustees may determine that the members shall vote online to elect charity trustees or to make a decision on any matter that is being decided at a general meeting of the members.

(b) Where online voting is deciding a matter, the trustees must send to members of the CIO, not less than 14 days before the deadline for receipt of votes, a notice by email, if the member has agreed to receive notices in this way under clause 22 (Use of electronic communications), including an explanation of the purpose of the vote and the means by which the member may vote online namely the details and procedure to be followed by the member. The online voting platform should contain details of the resolution being put to a vote, or of the candidates for election, as applicable.

(c) Online voting must be conducted on an online platform based on the following principles:

- (i) The voters' information and the votes are kept separated (anonymous vote).
- (ii) Only members get access to vote.
- (iii) Every member can vote only once.
- (iv) Votes can be independently verified if needed.

(d) The voting procedure must specify the closing date and time for receipt of votes, and must state that any votes received after the closing date or not complying with the voting procedure will be invalid and not be counted.

(e) Any dispute about the conduct of an online vote must be referred initially to a panel set up by the charity trustees, to consist of two trustees and two persons independent of the CIO. If the dispute cannot be satisfactorily resolved by the panel, it must be referred to the Electoral Reform Services

11.8 Representation of organisations and corporate members

An organisation or a corporate body that is a member of the CIO may, in accordance with its usual decision-making process, authorise a person to act as its representative at any general meeting of the CIO.

The representative is entitled to exercise the same powers on behalf of the organisation or corporate body as the organisation or corporate body could exercise as an individual member of the CIO.

11.9 Adjournment of meetings

The chair may with the consent of a meeting at which a quorum is present (and shall if so directed by the meeting) adjourn the meeting to another time and/or place. No business may be transacted at an adjourned meeting except business which could properly have been transacted at the original meeting.

12. CHARITY TRUSTEES

12.1 Functions and duties of charity trustees

The charity trustees shall manage the affairs of the CIO and may for that purpose exercise all the powers of the CIO. It is the duty of each charity trustee:

STRUCTURE, GOVERNANCE AND MANAGEMENT

(a) to exercise his or her powers and to perform his or her functions as a trustee of the CIO in the way he or she decides in good faith would be most likely to further the purposes of the CIO; and

6.2 Scope and powers permitting trustees' or connected persons' benefits

- (a) A charity trustee or connected person may receive a benefit from the CIO as a beneficiary provided that it is available generally to the beneficiaries of the CIO.
- (b) A charity trustee or connected person may enter into a contract for the supply of services, or of goods that are supplied in connection with the provision of services, to the CIO where that is permitted in accordance with, and subject to the conditions in, section 185 to 188 of the Charities Act 2011.

**Independent Examiner's Report to the Trustees of
International Group for the Psychology
of Mathematics Education**

Independent examiner's report to the trustees of International Group for the Psychology of Mathematics Education ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 December 2022.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
