Turkey Earthquake

In February 2023, the world was shocked by the news of the catastrophic earthquake that struck the border region between Turkey and Syria. This tragic event resulted in the loss of numerous lives and left countless individuals homeless and impoverished overnight. The earthquake's proximity to Kayseri enabled us to swiftly respond to the crisis. However, upon further assessment, we observed that Turkey was receiving substantial support from its government, while the situation in Syria remained dire. Consequently, we redirected our focus towards Syria, leveraging our established partnerships on the ground to facilitate access and aid to those in need.

Syrian refugees

Yusra Trust was able to distribute Suhoor and Iftar packs to the Syrian refugees in Turkish refugee camps. Our aim being to provide much-needed essentials before the commencement of Ramadhan. Working alongside Turkish charity Iyilik Koprusu. Yusra Trust along with NGOs managed to negotiate with wholesalers in Turkey the best price for the food packs. Food packs contained some of the essentials such as:

Oil, lentils, tea, flour, chickpeas, pasta, bulgur, sugar, salt, dates, rice, olives.

This project was carried out with the aid of Iyilik Koprusu. Iyilik Koprusu distributed the packs on our behalf in the month of ramadaan.

Kayseri

In 2023 Yusra Trust continued supporting Syrian, Uzbek and Uyghur refugees residing in the Kayseri region of Turkey. A minimum of 25 families, orphans, widows and needy were provided with support monthly. Some recipients are in an educational background, either teaching or studying. This project has been aided by another Turkish charity, Iyilik Koprusu Yardimlasma ve Dayanisma Dernegi.

Qurbani (sacrificial animals)

Qurbani was collected from donors in March/April 2023. The meat was used to feed the poor and needy in Kayseri.

Yusra Trust started the year with the aim of aiding the poor and needy. Yusra Trust was very happy to achieve this via the three projects mentioned above and it also achieved more than what had originally been planned.

Aims

- (1) To relieve financial hardship among poor people, widows, orphans and other people in need by means of, but not exclusively, making grants or loans for providing or paying for items, equipment, services and facilities, including the provision of food, water and clothing, and livelihood programmes for the benefit of the said persons;
- (2) To advance education for the benefit of the general public by means of, but not exclusively, the provision or the assistance in the provision of educational activities and facilities, such as schools and training centres for the benefit of said persons;
- (3) To relieve sickness and to preserve good health among persons in need, by means of, but not exclusively, the provision or assistance in the provision of medical equipment or facilities such as testing and treatment centres and clinics for the benefit of the said persons;
- (4) To advance the religion of Islam, by means of, but not exclusively, promoting the teachings and tenets of Islam via the assistance in the provision of Islamic education and facilities for worship in accordance with the teachings of the Quran and Sunnah of the prophet Muhammad (peace and blessings be upon him) as interpreted by the Ahle Sunnah Wal Jamaah school of thought.
