

Trustee Annual Report

For the period 06/01/2021 - 01/11/2021

Westbury Urban Garden Society CIO

Charity number: 1193008

Address: 16 St Awdry Rd, Barking, IG11 QD

Trustee names:

- Tim Hunt
- James Lawndes
- Billy Robertson

The Charity is managed by the trustees. They, along with volunteers, manage a small community garden in Barking. They meet regularly (quarterly) to maintain the space.

New trustees are recruited on an adhoc basis (as needed) from the pool of volunteers that work with the charity.

Objectives

Its objectives for the period 06/01/2021 - 01/11/2021 were to enhance the space by improving access to water and reformatting the entrance to the space.

Performance

We now have improved access to water, thanks to water collection points from an adjacent new development.

Due to covid to covid and adjacent building work opportunities for volunteering on the space and instigating additional enhancements were limited.

Financial review

We received one donation of £4000 from a local builder who was working adjacent to the site.

That money was yet to be spent in this reporting period as we planned how best to spend it and due to covid restrictions. We had no other income or outgoings.
