Noah's Star CIO

Report of the Trustees for the Year Ended 31 March 2023

The trustees who present their report with the financial statements of the charity for the year ended 31 March 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

To preserve and protect the physical, mental and emotional health of parents and families in the West Midlands caring for sick and preterm babies by offering hospital and community-based services, ancillary to those provided by medical professionals and which are not covered by statutory funding.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

Noah's Star CIO is a Charitable Incorporated Organisation (CIO) and is registered with the Charity Commission in England. The Charity was incorporated on 8th January 2021.

Organisational structure

The administration of the Trust is effected by the Trustees whom meet regularly. The board of Trustees implements and monitors matters of policy.

ACHIEVEMENTS AND PERFORMANCE

Introduction

Noah's Star began to provide support to families in 2017 based upon the lived experience of their founder. Her twin boys were born in July 2015 at only 25 weeks gestation. Devastatingly, Noah only lived for 30 hours, and Oscar spent 12 weeks within the Birmingham Women's Hospital (BWH). During this incredibly challenging time, their founder noticed that whilst hospitals provide amazing medical support for premature and sick babies, this is where the support is focussed. As a result of the lack of psychological support available to families their mental health has suffered.

In response, Noah's Star was established and officially registered as a charity in January 2020. Noah's Star was created to support siblings of premature and sick babies. As the charity has grown, they have increased their support for the whole family. However, their priority is always focused on the sibling.

The year in review

In our second year we are delighted that we have had a such a positive impact on the families of sick and premature babies. We have been able to provide support to over 2000 families of premature and sick babies.

Report of the Trustees for the Year Ended 31 March 2023

ACHIEVEMENTS AND PERFORMANCE - continued

This support has included family support at Birmingham Women's Hospital Neonatal Intensive Care Unit and Ronald McDonald House, our counselling sessions, peer mentoring, sibling mentoring, wellbeing workshops, monthly stay and play, themed stay and play sessions, creation and distribution of our sibling support workbook and story book and donations of items to local Neonatal Intensive Care Units.

The restrictions and difficulties imposed by the pandemic created challenges in reaching the people that need our service. However, we are really pleased to be providing regular sessions at Ronald McDonald House and will return to providing regular sessions at Birmingham Women's Hospital in the next month.

We are proud that our stay and play group has increased to fortnightly session and the feedback from families has been fantastic. These groups enable parents to play in a safe and nonjudgmental environment with their baby whilst connecting with other parents with similar shared experiences. The impact of peer support is invaluable.

Our work with other charities including Ronald McDonald House has helped us to reach more families at a time they desperately need the support.

The demand continues to increase for Noah's Star support as more than 100,000 babies are born prematurely in the UK each year. A recent study concluded that 80% of parent's mental health got worse after their time on the neonatal unit. However, 62% of parents didn't have access to psychological support when they needed it on the neonatal unit. Parents with a premature baby are 50% more likely to experience psychological distress compared with parents who do not spend time on the unit.

We are grateful to our donors and supporters. We would also like to thank our team of staff, volunteers and trustees who enable us to continue to support families when their baby is born premature or sick.

The Future

2022 continued to create many challenges linked to the pandemic but also brought new opportunities and new ways of working. Our families needed us more than ever as they struggled with the crisis and trauma of their baby being born premature or sick. The impact this had on families was heightened as restrictions within NHS hospitals at times prevented families from visiting their babies.

As we moved through 2022 we were able to start offering a blended approach of support works for families and therefore we are pleased to offer a combination of remote and face to face support. The support offered will be built around the needs of the family.

Report of the Trustees for the Year Ended 31 March 2023

ACHIEVEMENTS AND PERFORMANCE - continued

We will be continuing to expand our support into other Neonatal Units across the West Midlands (13 hospital units), increasing our stay and play groups to fortnightly and increasing the number of counselling sessions available to families.

FINANCIAL REVIEW

Financial Overview

The charity received income amounting to £24,391 (2021-22: £13,606) during the year. This includes grants received of £15,965 (2021-22: £10,000) and donations received of £3,256 (2021-22: £3,206). The charity was able to also generate income from providing training services which amounted to £5,170 (2021-22: £400) during the year.

The charity's expenditure for the year amounted to £23,610 (2021-22: £2,885) which includes direct costs amounting to £23,160 (2021-22: £2,435) and support costs amounting to £450 (2021-22: £450).

Notable expenditure includes £6,730 on staffing (2021-22: NIL), £4,838 on storage costs (2021-22: £200), £2,436 on training (2021-22: NIL), £2,230 on consultancy (2021-22: £200) and £1,647 (2021-22: NIL spent on events).

After taking all financial activity into account the charity made a £781 (2021-22: £10,721) surplus across all funds. This includes a surplus of £2,248 (2021-22: £1,021) in unrestricted funds, and a deficit of £1,467 in restricted funds (2021-22: £9,700 surplus).

At the end of the reporting period unrestricted reserves amount to £3,269 (2021-22: £1,021) and restricted reserves, which includes grant received in advance, amount to £8,233 (2021-22: £9,700). Total reserves amount to £11,502 (2021-22: £21,442).

Reserves policy

The trustees have agreed to a policy to build an unrestricted reserves position of a minimum of 3 months unrestricted expenditure. Based on current unrestricted reserves of £3,269 this policy has been achieved.

Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements.

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees are responsible for preparing the report of the trustees and the financial statements in accordance with applicable law and United Kingdom accounting standards (United Kingdom Generally Accepted Accounting Practice).

In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Notes to the Financial Statements for the Year Ended 31 March 2023

1 ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable entity have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then the income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

Income from trading activities includes income earned from fundraising events, trading activities and the charges of premises costs to tenants. Income is received in exchange for supplying goods and services, in order to raise funds and is recognised when entitlement has occurred.

Income from grants, whether 'capital' grant or 'revenue' grants, is recognised at fair value when the charity has entitlement after any performance conditions have been met, it is probable that the income will be received and the amount can be measured reliably. If entitlement is not met then these amounts are deferred.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is usually upon notification of interest paid or payable by the Bank.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs relating to the category. Where costs cannot be directly attributed to a particular heading they have been allocated to activities on a basis consistent with the use of resources.

Expenditure is classified under the following activity headings:

Noah's Star CIO**Notes to the Financial Statements
for the Year Ended 31 March 2023****1 ACCOUNTING POLICIES****Expenditure - continued**

Expenditure on charitable activities includes the direct costs of activities undertaken to further the purposes of the charity, including grants payable and all associated support costs.

Cost of raising funds comprises the costs of commercial trading.

Support costs are those that assist the work of the charity but do not directly represent charitable activities and include governance costs and administrative support costs. They are incurred directly in support of expenditure on the objects of the charity. Where support costs cannot be directly attributed to particular headings they have been allocated to cost of raising funds and expenditure on charitable activities on a basis consistent with the use of resources.

Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Taxation

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010.

Noah's Star CIO**Notes to the Financial Statements
for the Year Ended 31 March 2023****1 ACCOUNTING POLICIES****Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

A detailed summary of each fund, both restricted and unrestricted, is included in the notes to the financial statements on page 14.

Trustees remuneration and benefits

Jo-Anne Shellum who is the Chief Executive Officer and a Trustee of the charity received remuneration amounting to £6,730 for her role as Chief Executive Officer. No remuneration was paid to Jo-Anne Shellum in relation to her ordinary duties as a Trustee. Her role as a Trustee is undertaken in a voluntary capacity.

Any and all remuneration has been paid in accordance with the charity's constitution, effective from 21 May 2020.

No Trustees received remuneration for the year ended 31 March 2022.

Trustees' expenses

There were no trustees' expenses paid for the year ended 31 March 2023, nor for the year ended 31 March 2022 with the exception of reasonable out of pocket expenses.
