Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts. Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	2022 marked the first return to a more normal schedule for the Society after COVID. In April 2022 we held a 2-day seminar in Budapest attended by more than 100 delegates. This was organised to coincide with a related European meeting (ECAC ACC) to maximise attendance. An online <i>Focus On...</i> session was planned for December 2022 but had to be rescheduled for February 2023 due to presenter availability. The <i>Focus On...</i> sessions are aimed to provide awareness and training for the community. They are virtual (Zoom), open to all with an interest and are free to attend.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The Society ended the period with a cash balance of £28,666.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	No designated reserves are held, but we aim to maintain a balance not below £20k. This is because a typical seminar (our main financial outlay each year) has costs of around £20k. This balance means we could survive a seminar failing completely for some reason. This prospect was nearly realised during COVID.
Amount of reserves held	Para 1.22	Nil
Reasons for holding zero reserves	Para 1.22	See above – no specifically designated reserve held, but a minimum balance is aimed for. Will consider designating as reserve in future.
Details of fund materially in deficit	Para 1.24	None
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	None
