Para 1.17 and 1.19	We are committed to helping disadvantaged and underprivileged children in poverty-stricken areas around the globe. Our main goals are to tackle child poverty, support education and build child futures. Funded by the fashion world, our mission statement is to - take from fashion to brighten futures.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees have complied with their duty to have due regard to the commission's public benefit guidance when exercising any powers or duties to which the guidance is relevant

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Illuminating Hope: Mind The Gap Animation Ad Project In collaboration with Mind The Gap Africa, V&C Foundation embarked on a transformative journey to shed light on the challenges faced by abandoned and orphaned children in Zimbabwe. Tasked with creating an animation for fundraising promotion, we embarked on a creative odyssey. Zimbabwe's government restrictions made it difficult to portray the true severity of child abandonment and abuse, limiting the charity's ability to garner international support and funding. Our innovative approach captured the essence of the issue without graphically depicting it, paving the way for increased fundraising opportunities. This animation now serves as a beacon of hope, igniting awareness and crucial support for Mind The Gap Africa's mission.
