TRUSTEES REPORT FOR PRO-VISION INTERNATIONAL UK (Reg No 1193268)

FOR THE YEAR ENDED 31 DECEMBER 2024

The trustees during the 12 months were

Jack Ingle (Chairman)

Kalypso Moraiti

Gerrit van Marleveld

Victoria Daniell

After an initial resurgence of enthusiasm, the year ended very little being done and a very small income.

See detailed accounts attached.

Total income received –	£ 13 681.60
Other expenses	£ nil
Sent to PVI via Xe	£ 12 460

Opening balance 1 January 2024	£ 1412.53
Closing balance 31 December 2024	£ 2634.13

It would appear that the initial belief that funds would be raised from approaches to grant making bodies was misplaced. 3 page Bid letters were sent to about 40 associations which were identified as being interested in either support of Christian organizations or international organizations but none of the approaches was successful. In spite of stamped address envelopes being enclosed, few even responded.

Some charities require submission on their own forms which is very slow going. Others allow direct submission to a postal address. Some allow email submission.

The website has also been totally unsuccessful in raising money.

Due to a change in her personal circumstances, Vicky is unable to do the fundraising work initially promised and at date of this report has now resigned as Trustee.
