Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	During the year, the charity's community boxing gym has delivered a wide range of activities that have transformed the lives of its members and created measurable benefits for the wider community. Empowering Young People and Building Life Skills - The gym provides structure, routine, and positive role models, particularly for young people who may be struggling at school or work. Through boxing training and competitions, members develop essential life skills such as discipline, communication, problem-solving, resilience, and a growth mindset. Youth Engagement and Crime Prevention - By offering a safe, disciplined environment, the gym keeps young people off the streets

		and away from negative influences such as gangs, drugs, or crime. It creates a sense of purpose and connection, fostering respect, accountability, and positive relationships across age, race, and background. Improving Physical and Mental Health - Regular training supports physical fitness and emotional well-being, helping members manage stress, anxiety, and depression. The program boosts self-confidence and self-worth through continuous personal growth and skill development. Promoting Equality, Diversity and Inclusion - The gym welcomes people from all backgrounds, actively promoting equality regardless of race, gender, religion, sexual orientation, disability, or income. Female-only sessions, women coaches, beginner-friendly programs, and adaptations for neurodiverse or disabled members ensure access for everyone. Wider Benefits to Society - The charity's work extends beyond boxing. By reducing antisocial behaviour, improving health outcomes, fostering inclusion, and strengthening community ties, the gym makes a positive contribution to social cohesion and public well-being. Its inclusive approach helps break down barriers and inspires long-term community development.

Achievements against objectives set	Para 1.41	During the year, the charity made strong progress against the objectives set by the trustees. Key targets for youth engagement, community inclusion, and health promotion were met through the delivery of structured boxing programmes, subsidised memberships, and outreach activities. The gym successfully provided a safe and supportive environment for young people, improved access for low-income families, and expanded female participation through dedicated sessions and coaching opportunities. Environmental and social sustainability initiatives, such as promoting reusable bottles and refurbishing equipment, were also implemented, demonstrating the charity's commitment to long-term community benefit despite rising operational costs.
-------------------------------------	-----------	---

Performance of fundraising activities against objectives set	Para 1.41	During the year, fundraising activities were carried out in line with the objectives set by the trustees to support the gym's operational costs and community programmes. Despite rising utility and rental expenses, the charity successfully delivered key fundraising events and secured local sponsorships, which helped offset increased costs and maintain subsidised memberships for those in need. While income from club shows and community events provided essential support, financial pressures meant that not all targets were fully achieved. Continued efforts, including seeking grant funding and expanding sponsorship opportunities, remain a priority to sustain services and achieve future fundraising goals.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	At the end of the year, the charity is in a stable financial position. Key points are: The charity has sufficient funds to continue its activities and meet its obligations. Unrestricted reserves have decreased this year due to a significant reduction in income from the absence of government grants and increased costs. Despite this, the trustees have carefully considered ways to increase income and have taken positive steps to secure additional funding streams. Restricted funds have been used for their intended purposes, with any remaining balances carried forward to support ongoing projects. The trustees have reviewed potential risks and are confident that the charity can continue to operate as a going concern.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	The charity aims to maintain a prudent level of reserves to ensure the stability and continuity of our work. These reserves help us to cover essential operating costs in case of unexpected shortfalls in income or delays in funding, manage unexpected expenses and emergencies and allow us to take advantage of opportunities to improve or expand our services

		The trustees review the level of reserves annually to ensure they remain appropriate in light of the charity's current activities, future plans, and potential risks. Any use of reserves is carefully considered to maintain the charity's long-term financial health while fulfilling its mission.
Amount of reserves held	Para 1.22	£1,872.50
Reasons for holding zero reserves	Para 1.22	N/A
Details of fund materially in deficit	Para 1.24	N/A
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	The trustees have assessed the charity's financial position, reserves, and future funding prospects. While the charity's reserves have reduced compared with previous periods due to lower income, increased expenditure, and the absence of government funding, the trustees have explored alternative funding streams and additional sponsorship opportunities to help restore and increase reserves going forward. At present, they are satisfied that there are no significant uncertainties that would cast doubt on the charity's ability to continue operating for the foreseeable future.

The charity's principal sources of funds (including any fundraising)	Para 1.47	Membership Fees – Regular income from gym users, including low-cost or subsidised memberships to maintain accessibility. Fundraising Events – Income generated from fundraising activity's such as 'bus stops', sponsored runs and hosting club shows which also serve as key fundraisers. Local Sponsorships – Support from local businesses that contribute sponsorships to help cover event and programme costs. Grant Funding / Donations – Occasional or targeted grants and community funding to help sustain programmes and offset rising operational costs (e.g., utilities, equipment replacement).
Investment policy and objectives including any social investment policy adopted	Para 1.46	N/A
A description of the principal risks facing the charity	Para 1.46	The principal risks facing the charity are primarily associated with maintaining accessible services. The charity's reliance on fundraising events, local sponsorships, and government funding exposes it to fluctuations in income. The main risk is the

		possibility of receiving no government funding, which could significantly impact the charity's ability to deliver its services consistently.

Structure, Governance and Management

Description of charity's trusts:		
Type of governing document	Para 1.25	Association Model Constitution
How is the charity constituted?	Para 1.25	Charitable Incorporated Organisation
Trustee selection methods including details of any constitutional provisions e.g. election to post or name of any person or body entitled to appoint one or more trustees	Para 1.25	In accordance with the governing document, there must be at least three charity trustees. The maximum number of charity trustees is 12. At each annual general meeting, around one-third of the charity trustees must retire by rotation. Trustees who have served the longest since their last appointment step down first; if terms are equal, the retiring trustees are chosen by lot. Vacancies created may be filled by members at the meeting or later by either the members or the trustees, provided the maximum number of trustees is not exceeded. Trustees appointed by members follow the normal rotation rules, while those appointed by trustees themselves serve only until the next annual general meeting.
