Activities

Objects: THE OBJECT OF SEED SEDGEMOOR IS TO CARRY OUT ACTIVITIES WHICH ADVANCE PARTICIPATION IN ARTS, CULTURE AND HERITAGE TO THE BENEFIT OF COMMUNITIES WE WORK WITH.

Activities: We aim to enable more people in our region to actively engage in the creative arts, particularly those who don't usually do so. We seek to remove barriers to participation, offer opportunities for people to engage with the arts, and for the arts to become a part of their everyday life. We believe everyone is creative and can benefit from opportunities to explore and develop their creativity.
