Structure, governance and management

Governing document

Truro Canoe Club is a Charitable Incorporated Organisation registered with the Charity Commission on 2 February 2021. It is a registered charity number 1193372. The objects of the Club are to promote community participation in healthy recreation within the community of Truro and its surrounding area by providing facilities to participate in paddle sports, principally kayaking and canoeing, both recreationally and competitively.

The following served as Trustees throughout the period ended 30 September 2023:

Mr W M Sharpe

Mr MJ Thomas

Mr GH Partridge

The induction of process for any new Trustee, and indeed for those appointed at registration with the Charity Commission as appropriate, is that they are briefed by the existing Trustees on the Club's organisational framework, risk management and the responsibilities of Trustees. They are provided with a copy of the Charity Commission's guidance 'The Essential Trustee: what you need to know and what you need to do'.

The Trustees manage the Club and, through the Club's Committee, the activities of the Club are organised in delivering the objectives of the Club.

Risk management

The Trustees have assessed the major financial viability and kayaking and canoeing activity related risks the Club faces and are satisfied that the systems are in place to mitigate its exposure to them whether on the water or ashore.

Objectives and activities

In the promotion of community participation in healthy recreation within the community of Truro and its surrounding area, the Club conducts on water activity throughout the year, tide and weather dependent, organises a number of competitive events such as regular winter time trials as well as Hasler and other races. The Trustees are pleased to report an increase in membership and participation in the Club's activities following a number of trial and taster sessions. These activities have allowed members to enjoy the benefits of training and competition activity with other kayakers to develop and improve their fitness and physical and mental well-being.

Achievements and performance

The Club is grateful for the voluntary contributions made by various members by acting and fulfilling the management duties of Club Committee and activity co-ordinators. The boatshed and new club equipment has enabled activity to increase and develop with many members, both junior and senior, now advancing their racing standards.

Relationships with important parties

The Club maintains a number of important relationships with the sport's National Governing Body (British Canoeing), other regional kayak racing clubs, Cornwall County Council and Truro City Council.

Statement of Financial Activities
For the period ended 30 September 2023

Financial review

During the period ended 30 September 2023, as shown by the attached profit and loss report at Annex A, revenue totalled £6,044.11 and total expenditure for the period totalled £9014.49. The excess of expenditure over income (loss) so arising was £2,970.38.

Public benefit

In planning the Club's activities for the period ended 30 September 2023, the Trustees kept in mind the Charity Commission guidance on public benefit.

Reserves policy

The Trustees' policy is for the Club to have available free reserves in the face of unforeseen events and also to maintain a level of working capital to finance its charitable operations as has been required this period.

Trustees' responsibilities

The Trustees are responsible, in compliance with the provisions of the Charities Act 2011, for the keeping of accounting records and for the preparation of the accounts.

The Trustees' annual report was approved at the Club's AGM on 25 November 2023 and signed on behalf of the board of Trustees by:

W M Sharpe
