Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The object of the CIO is the relief of children suffering from Battens Disease variant CLN2, an ultra-rare genetic neurological disease affecting children, in particular but not exclusively by providing grants and funding for treatment of and research into Battens Disease variant CLN2 to benefit the health and improve the lives of affected children.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

In January 2022 alongside the Community Action Group Ollies Army Battling Against Battens we organised a Charity Ball which was held in October 2022.
