## Activities

---

**Objects:** The objects of the CIO are, for the public benefit, to advance the Christian faith among young adults (aged 18 years and over) in such ways and by such means as the trustees may from time to time determine, including but not limited to: holding worship and prayer meetings, organising outreach events, and producing and/or distributing literature and other media to encourage understanding of the Christian faith. For the purposes of this clause, “the Christian faith” is as set out in the Incoming Ministries Statement of Faith, which affirms belief in: one God: Father, Son and Holy Spirit; Jesus Christ, the Son of God, who died for the sins of the world and rose again; and the Bible as the Word of God, which informs and guides Christian life.

**Activities:** This charity seeks to benefit the community and further the Christian faith in the 18-30s by hosting outreach, worship, prayer, and community events at various venues throughout the city of Bath and the UK. We also seek to activate young adults into the local mission field by partnering with existing charities to help meet needs and provide support.
