Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts. Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Since commencing the programme, the charity has supported >50 individuals on the FiiT for Life programme. In this time, beneficiaries have established long term exercise habits which will help reduce the onset of secondary disease. On completion of the programme, a number of beneficiaries have opted to stay on the programme or "graduate" to another similar programme through links with the Derbyshire social prescriber network. In addition, the charity has also supported coach education to enhance the offer across the UK. Currently, fitness industry professionals are unable to support individuals with chronic disease without suitable qualification. This often comes at a significant cost to the practitioner, and acts as a barrier to supporting those with long term illness. By removing this barrier, more professionals have obtained the knowledge which will allow to them to offer safe, effective, and appropriate exercise prescription to individuals with cancer, long term mental illness, cardiovascular disease, diabetes and post-natal females.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	At the end of this financial period, the charity had £2000 available which had come from an EIS grant, to be used for specialist equipment to support beneficiaries with long term health conditions. It was anticipated that a large proportion of this money would be spent on cleaning equipment to ensure the safety of beneficiaries (of which a large number are immune suppressed) post COVID.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	A reserve of £500 is maintained by the charity to ensure the running costs for the current programme is not disrupted.
Amount of reserves held	Para 1.22	£500
Reasons for holding zero reserves	Para 1.22	As a small entity, the charity operates with limited reserves. A reserve of £500 is maintained by the charity to ensure the running costs for the current programme is not disrupted. As the charity develops, the reserve policy will be reviewed at regular intervals to ensure there is no threat to unplanned closure of the charity.
Details of fund materially in deficit	Para 1.24	N/A
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	As a small entity, the charity is not at risk of unplanned closure. However, as the charity and the long term offer grows, the financial position of the charity will change, which will require continual monitoring.
