Forecast for orphanage ministry

The goal for the next financial year (September 2021-September 2022) will be to reach about 2000 orphans in about five different countries. We aim to supply 1-3 months' worth of food and essentials for these orphanages.

We look to set up ten educational scholarships for ten deserving orphans. This scholarship will sit with the child from the date and year of qualification until the end of their tertiary education or the stage where they choose to end their education

We look to recruit more volunteers responsible for identifying, visiting and conducting due diligence into the authenticity of identified orphanages or orphanages that have requested support from us. The volunteers are also responsible for purchasing, transporting and donating food items and essentials to approved orphanages.

Forecast for UK-based conferences

We are looking to organize and host three major UK based conferences for the financial year.

- We will be hosting an in-person prayer conference in October 2021, to be held in Birmingham, UK

- Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes including the charity's shop.
