The Oxford Good Stewards Trust

Trustees Annual Report for the year ended 2021

Reference and Administrative Information

The Trustees present the report and accounts of the Oxford Good Stewards Trust ("OGST") for the year ended 31 December 2021. The accounts have been prepared in accordance with the Charities SORP (FRS102) [*Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)*].

The Trust is a registered charitable incorporated organisation (CIO) (number **1193525**) whose principal address is:
7 Colegrove Down, Oxford, OX2 9HT

Structure Governance and Management

The aim of the Oxford Good Stewards Trust is to help grow the Kingdom of God by receiving donations and making grants mostly within the Oxford Diocese.

The trust was registered as a CIO with the Charity Commission on 15 February 2021.

Trustees

John Blackbeard	
Michael Byrne	(Treasurer)
Mike Clark	(Secretary)
Ralph Hewins	(from October 2021)
Trevor Rayment	(Chair)

In accordance with the governing document, the minimum number of trustees is four and new trustees are appointed by a majority of existing trustees following recommendations from supporting churches.

During 2021, the trustees have met approximately monthly via online meetings. All meetings are minuted and any decisions taken via email are recorded in the minutes.

The Object of the Oxford Good Stewards Trust

The object of the CIO is to advance the Christian religion, as this is set forth in the statement of faith, for the benefit of the public residing in the Diocese of Oxford or elsewhere as approved by the Trustees, by supporting, through the making of grants and otherwise,

- a. the provision and maintenance of facilities for public worship,
- b. the provision of ministers and others for the conduct of public worship, outreach and provision of pastoral care,
- c. outreach and evangelisation, and
- d. the promotion of the awareness and understanding of the doctrine of the Church of England. The doctrine of the Church of England is for the purposes of this clause 3d to be construed in accordance with the Church of England (Worship and Doctrine) Measure 1974 as originally enacted.

The Trust is a public benefit entity. The Trustees confirm that they have given due regard to the public benefit guidance published by the Charity Commission. This guidance requires that the charity has identifiable benefits and that these be of benefit to the public or a section of it. The objectives, activities, achievements and performance are required to be summarised in the annual report.

Achievements and Performance

The principal task in the first year of the existence of the Trust has been to establish all of the policies and procedures that are necessary for the trust to work in an efficient and transparent manner which gains the support and confidence of those churches that it seeks to support. At the same time efforts have continued to communicate the aims and activities of the OGST amongst supporting churches so that by the time that the trust is ready to receive donations and administer grants there will be those wishing to give and to receive.

During the year the policies described elsewhere in the report have been agreed by trustees.

By the end of the year there are grounds for optimism that the first grants will be administered early in 2022.

The trustees primary aim on all things is to bring glory to God and to advance His Kingdom. None of the progress made this year would have happened without God's help and we give praise to Him.

Financial Review

In the first year the sole income of £1000 has been provided by private donations and a gift from a supporting church charity which were sufficient to open a bank account. These donations are expected to meet the modest running cost of the charity during its first two years of operation and will permit the trustees to focus attention upon fund raising for projects and upon establishing transparent and efficient ways of working.

In view of the minimal financial activity in this year and the income being well below the threshold of £25,000 for which the Charity Commission require an independent examination, the trustees agreed that no independent examination would be carried out.

Reserves Policy

In accordance with best practice, the Trust reserves policy is to hold reserves in the form of net current assets sufficient to cover the equivalent of at least three months of unavoidable operational expenditure. Grants are only made on receipt of donations.

Principal Risks and Uncertainties

The Trustees consider that the principal risk to the work of the Oxford Good Stewards Trust is not financial but a lack of confidence by churches and donors in its work which would mean that the Trust could not meet its objectives. Trustees are investing time and effort to make the operations of the Trust transparent and accountable and are investing time in communications with Churches in the Oxford Diocese.

Safeguarding Policy

OGST has a safeguarding policy and OGST will seek assurances annually from grant receiving bodies that they are actively fulfilling safeguarding legislation as a condition of making or continuing a grant.

Declaration

The Trustees approved the Trustees Report above on 12th May 2022.
