

Sudden Impulse Production Company CIO

Charity Number: 1193579

Year ending April 2024

At the end of the year the trustees remain the same:

Phil Malkin
Nathan Harvey
Sam Asbury
Paula Daly
Helen Cartwright
Eleanor Charman
Elaine Malkin
Thom Udall

There has been no change to the governance and governing document of the charity. Trustees will be recruited in accordance with our governing document. When a trustee steps down we will invite applications to the board and the existing trustees will create a selection process based on application and interview.

As mentioned in last year's report we have been successful in being part of an Arts Council England supported project called Creative Explorers.

The first part of funding has been received in this financial year and the bulk of this will be in the next year when we begin the main delivery of the programme. This is all project based work within the communities and the planning sessions and community engagement sessions have now started.

The funding will be drawn down in instalments throughout the duration of the project and distributed as laid down in the bid. Throughout this project we will be working with new partnerships including Imagineer Productions, Artichoke, Grit Art Central and Nuneaton and Bedworth Borough Council.

The culmination of this engagement project will be a street arts festival in August 24 and a series of performances in September.
