There has been no change to the governance or the governing document of the charity. Trustees will be recruited in accordance with our governing document. When a trustee steps down the existing trustees will create a selection process when necessary. At present we have more than the required minimum trustees. Selection will be based on application and interview.

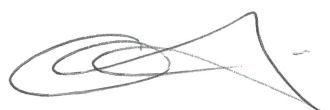

In the last year we have been delivering on the Creative Explorers project supported by Arts Council England. We have delivered 3 community led theatre projects which were presented at a summer festival in the town centre and subsequent performances at The Abbey Theatre. We enjoyed a fruitful working relationship with Nuneaton and Bedworth Borough Council, Warwickshire County Council, Imagineer Productions, Nuneaton Arts CIO, Artichoke and GRIT Art Central.

We are supporting a potential new bid for the borough to be awarded a Creative People and Places the outcome of which will be known in October 2025.
