Financial Review

Results for the Year

Total income amounted to **£92,691** (2021: £119,452). Total expenditure amounted to **£119,355** (2021: £94,505), resulting in net expenditure of **£26,665** (2021: net income of £24,946).

The total funds carried forward at 31 December 2022 amounted to **£216,376** (2021: £243,041).

Although 2022 saw a gradual return towards normality, the pace of recovery was slow. The wider cost-of-living crisis, which began in late 2021 and intensified during 2022, created additional pressure on households through rising energy costs, inflation and wider economic uncertainty. This increased demand for the charity's services, particularly community support, welfare assistance, educational provision and access to the Mosque as a trusted local support hub, while also placing pressure on donation income and the charity's overall financial position.

Reserves Policy

The Trustees recognise the importance of maintaining adequate reserves to ensure the continued operation of the charity.

The charity's policy is to maintain unrestricted reserves sufficient to support approximately six months of operating expenditure and to provide resilience against unexpected financial pressures.

At 31 December 2022 unrestricted funds amounted to £216,376, of which £230,420 related to fixed assets. Free reserves were therefore negative £14,043. The Trustees continue to monitor reserves carefully in light of the charity's operational requirements and future commitments.

Going Concern

The Trustees have reviewed the charity's financial position and future plans.

At 31 December 2022 the charity held net assets of £216,376 and cash balances of £3,105. Based upon expected income and available resources, the Trustees consider that the charity has adequate resources to continue operating for the foreseeable future.

Accordingly, the financial statements have been prepared on a going concern basis.

Trustees' Responsibilities Statement

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards, including FRS 102 and the Charities SORP (FRS 102).

The Trustees are responsible for:

- maintaining adequate accounting records;
- safeguarding the assets of the charity;
- preventing and detecting fraud and irregularities;
- selecting suitable accounting policies and applying them consistently;
- making reasonable and prudent judgments and estimates;
- preparing financial statements that give a true and fair view of the charity's affairs

Audit Exemption and Trustees' Responsibilities

For the year ended 31 December 2022, the charity was entitled to exemption from audit under the provisions of section 144 of the Charities Act 2011.

As the charity's gross income exceeded £25,000, the trustees arranged for the accounts to be subject to an independent examination in accordance with section 145 of the Charities Act 2011.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose, with reasonable accuracy at any time, the financial position of the charity. They are also responsible for safeguarding the assets of the charity and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the preparation of the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 (FRS 102) and the Statement of Recommended Practice: Accounting and Reporting by Charities (Charities SORP (FRS 102)).

The trustees are satisfied that the financial statements give a true and fair view of the charity's incoming resources, application of resources and financial position for the year ended 31 December 2022.

Independent Examiner's Report to the Trustees of Anwar-E-Madinah Trust
Registered Charity Number: 1193616

I report to the trustees on my examination of the financial statements of **Anwar-E-Madinah Trust** ("the Charity") for the year ended **31 December 2022**, which comprise the Statement of Financial Activities, the Balance Sheet and the related notes to the financial statements.

Responsibilities and Basis of Report

As the charity trustees are responsible for the preparation of the financial statements in accordance with the requirements of the **Charities Act 2011** ("the Act"), I report in respect of my examination of the Charity's financial statements carried out under section 145 of the Act.

I have carried out my examination in accordance with the **General Directions given by the Charity Commission under section 145(5)(b) of the Act**. An independent examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements and seeking explanations from the trustees concerning such matters.

The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, no opinion is given as to whether the financial statements present a "true and fair view" and the report is limited to those matters set out in the statement below.

As the Charity's gross income exceeded £25,000, I confirm that I am qualified to undertake the examination by being a member of a body listed in section 145 of the Charities Act 2011.

Independent Examiner's Statement

I have completed my examination.

I confirm that no material matters have come to my attention in connection with the examination which give me cause to believe that, in any material respect:

- accounting records were not kept in accordance with section 130 of the Charities Act 2011; or
- the financial statements do not accord with the accounting records; or
- the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008, other than any requirement that the accounts give a true and fair view, which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

Four of the seven trustees serving during the year were close family members.

The trustees recognise the importance of maintaining robust governance arrangements where family relationships exist within the Board. The charity maintains a register of interests and requires trustees to declare any actual or potential conflicts of interest. Where a conflict arises, the affected trustee withdraws from the relevant discussions and decisions.

All transactions involving trustees or connected persons were conducted in accordance with the charity's governing document, the Charities Act 2011 and Charity Commission guidance. Such transactions were considered by the trustees to be in the best interests of the charity and were approved in accordance with the charity's conflict of interest procedures.

As disclosed in Note 6, remuneration totalling £23,507 (2021: £19,518) was paid to two trustees for teaching services provided to the charity's madrassah. These services were provided under contractual arrangements separate from their duties as trustees and were authorised in accordance with the charity's Constitution. Trustees receiving remuneration took no part in discussions or decisions relating to those arrangements.

Other than the trustee remuneration disclosed in Note 6, there were no related party transactions requiring disclosure during the year.

13. Post Balance Sheet Events

The trustees acknowledge that the Annual Report and Financial Statements for the year ended 31 December 2022 have been approved and filed later than the normal reporting timetable.

The delay arose due to a combination of factors, including the additional governance, administrative and financial reporting requirements associated with the charity's transition to a Charitable Incorporated Organisation (CIO), together with the review and reconciliation of historical records to ensure compliance with the Charities Act 2011 and the Charities SORP (FRS 102).

In addition, certain trustees experienced significant personal and family circumstances during the period, which placed additional demands on their time and impacted the charity's administrative capacity. Notwithstanding these challenges, the trustees continued to discharge their legal responsibilities, maintain oversight of the charity's affairs, safeguard its assets and ensure the continued delivery of its charitable activities and services.

The trustees have since strengthened the charity's governance, financial reporting and compliance procedures and remain satisfied that they have acted diligently and in the best interests of the charity throughout the period.

The trustees are satisfied that no events have occurred since 31 December 2022 that require adjustment to, or additional disclosure in, these financial statements.
