Achievements and Performance

	In 2024, we have achieved following objectives:
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	During the reporting period, we successfully identified and initiated several new community focused projects aimed at creating lasting social impact. One of our key priorities moving forward is to deliver high-quality skills development programmes tailored for young people from disadvantaged backgrounds. These programmes are designed to empower participants with practical and essential life skills covering a wide range of topics such as online safety, financial literacy, money management, communication skills, and mental health awareness. By providing access to these opportunities, the Ali Zamam Trust aims to help young people build confidence, improve employability, and make informed decisions in their personal and professional lives. In addition to our educational initiatives, a

	significant and continuous effort has been made by the Ali Zamam Trust to support vulnerable communities through food assistance programmes. The Trust has remained dedicated to addressing hunger and food insecurity by organizing the preparation and distribution of food packs and meals to individuals and families in need. As part of these humanitarian efforts, the Trust successfully distributed hot food packs and essential parcels to remote and underserved regions of Pakistan, ensuring that those most affected by poverty and hardship received timely support. Through these initiatives, over 200 families benefitted from the distribution of nutritious meals and food supplies, providing relief and hope during challenging times. These activities reflect the Ali Zamam Trust's unwavering commitment to empower communities, alleviate hardship, and promote social welfare through sustainable and compassionate action.
