Trustees' Annual Report for the period

From 1st July 2024
Period end date

Period start date To 30th June 2025

Charity name: Scampton Heritage Group

Charity registration number:1193701

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	a. To increase public knowledge of the heritage of RAF Scampton and the acts of heroism that are associated with its roles from 1916 until its closure. b. To advance the education of children and young people with regard to their understanding of the aviation-related responses to conflict spanning the period from 1916 to the present day. c. To advance the education of the public with regard to the contribution and sacrifices of RAF Scampton personnel; the Royal Air Force; the people of Lincolnshire and the military more generally to the achievement of peace and reconciliation from 1916 until the present day. d. To preserve and provide increased public access to artefacts and documents associated with the history of RAF Scampton. e. To advance education and further preserve original documents associated with the history of RAF Scampton by digitisation and the facilitation of online access by the public. f. To encourage esprit de corps among RAF personnel by commemorating and illuminating the auspicious acts of heroism and distinguished service of those who served at RAF Scampton from 1916 until its closure.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Our Charitable Incorporated Organisation (CIO) was set up in 2021 in anticipation of the closure of RAF Scampton and its RAF managed Heritage Centre in December 2022. The initial principal activity of planning for station closure, and how our charitable objects would be taken

		forward with the station's new owners, was overtaken by HM Government's plans to house Asylum seekers on the station once it was decommissioned. With the subsequent abandonment of that plan, we are again exploring how our charitable objects could be taken forward with the station's prospective new owners. Trustees contribute their time pro bono.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	Trustees have had regard to the guidance issued by the Charity Commission on public benefit for the only expenditure, the commemoration event.

Achievements and Performance

	SORP reference	
--	----------------	--

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	In the reporting period, the charity has been unable to progress due to the uncertainty with the future of the former RAF Scampton. Operating from RAF Scampton is essential to the charity's core operation. Being physically present gives a unique context to the events associated with the station and allows visitors to follow the layout and use of the site. The charity's future is inextricably linked with the station's and so we have maintained contact with West Lindsey Council and possible future owners/occupiers so as to be well positioned to carry out our charitable aims immediately circumstances allow.
