

Cylch Meithrin Glyn Ceiriog Trustees annual report.

The board of trustees of Cylch Meithrin Glyn Ceiriog CIO present their annual report and audited accounts for the year ended March 31st, 2022, and confirm they comply with the requirements of the Charities Act 2011, the trust deed, and the Charities SORP (FRS 102).

Our aim is to provide quality pre-school provision for children aged 2-4 years through the medium of Welsh, in a happy, safe and secure environment, having fun, meeting new friends and learning through play. We believe every child has a voice and the right to be heard. We create an environment that promotes independence and confidence encouraging all children to develop to their full potential building their self-confidence and preparing them for future opportunities and life experiences. We aim to work closely with the local school and other settings to provide a service for local children and families to access and thrive.

This year has been a successful intake with numbers of children attending the setting being consistent.

Future.

The board of trustees intend to continue their current strategies of maintaining the settings position in a competitive market by investing to provide high quality care and education opportunities for children and local families. Achieving a high standard is a constant aim whilst maintaining the quality of care, education, and opportunities we provide. The setting leader and other practitioners continue to review the curriculum and opportunities provided to ensure they remain appropriate for our children's individual development.

Our future are financed primarily from local authority funding, fee income, fundraising events and grants. The trustees ensure the finances are healthy and a balance is maintained between the continuous improvements in the setting and the reserve of finances to ensure the security of the organisation.

Maintaining and, where necessary, developing the facilities of the setting is crucial to the future success. Our plans for the next year are primarily focused on improvising the physical condition of the building as well as internet access.

Cylch Meithrin Glyn Ceiriog Trustees annual report 2021/2022

The board of trustee and the staff are committed to working with each other and are constantly reviewing and renewing our procedures .

Finances.

The financial statements show gross incoming for the year for the setting as £58,257.

The principal source of income is local authority funding £37,895.

The largest expenditure went on staff wages, £ 38,747.

Reserves and Financial health.

The board of trustees regularly review the finances, budgets and spend against budget together with a monthly cash flow analysis as part of the effective management of the setting. The board of trustees consider that the next few years will be challenging with a reduced cash flow from local authority funding and fees.

Currently we have no reserve.

Ethos, Strategies and Policies.

Our ethos: a caring setting serving our local community, we are a CIO which seeks to benefit the public through the pursuit of its stated aims. Our fees are set at a level to ensure the financial viability of the setting and at a level that is consistent with our aim of providing a quality care and education experience to children and families.

Our Setting welcomes pupils from all backgrounds. We are an equal opportunity organisation and are committed to a working environment that is free from any form of discrimination on the grounds of colour, race, ethnicity, religion, sex, sexual orientation, or disability. We will make reasonable adjustments to meet the needs of staff or pupils who have additional physical needs or who are disabled.

Our setting is committed to safeguarding and promoting the welfare of our children and service users and expects all practitioners and volunteers to share this commitment.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The charity trustees are responsible for the overall management and control of Cylch Meithrin Glyn Ceiriog and meet regularly. All trustees

Cylch Meithrin Glyn Ceiriog Trustees annual report 2021/2022

give of their time freely and no remuneration or expenses were paid in the year.

The implementation of most policies and the day to day running of the setting is delegated to the leader. The Leader undertakes the key leadership role overseeing the care, education and administrative functions. The day to day administration for the setting is undertaken within the policies and procedures approved by the trustees.. The leader is invited to attend trustee meetings.

Risk Management

- The trustees are responsible for the overseeing of the risks faced by the setting. Risks are identified, assessed and controls established throughout the year. A formal review of the charity's risk management processes is undertaken on an annual basis. Risk is managed under the headings of financial sustainability, setting safety, child welfare/ safeguarding and employment.

The main risks that the trustees have identified the main risks are:

Finances. Our ability to continue is reliant on children's fees and the ability to pay bills as they fall due. This risk is managed by local advertising, having a good reputation in the local area and fundraising events held throughout the year.

Property: The trustees are currently in negotiation with the local authority regarding the permanence and ownership of the property

General setting: Safety is monitored by the setting leader and risk, or actions required reported to the trustees to act upon appropriately.

Child welfare / safeguarding is managed with robust safeguarding policies and procedures. All practitioners have appropriate safeguarding training along with members of the board of trustees. Safeguarding policies and procedures are covered in-depth during staff inductions and are regularly discussed in in house training and staff meetings.

Employment and the turnover of staff is managed by staff recruitment policies, staffing policies and a good relationship between trustees and the practitioners.

**CHARITY COMMISSION
FOR ENGLAND AND WALES**

**Independent examiner's
report on the accounts**

Section A

Independent Examiner's Report

**Report to the trustees/
members of**

Cylch Meithrin Glyn Ceiriog

**On accounts for the year
ended**

March 2022

**Charity no
(if any)**

Set out on pages

(Remember to include the page numbers of additional sheets)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended

**Responsibilities and
basis of report**

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

**Independent
examiner's statement**

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

I have completed my examination. I confirm that no material matters have come to my attention (other than that disclosed below *) in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

** Please delete the words in the brackets if they do not apply.*
