REPORT OF THE TRUSTEES'

The Trustees have pleasure in presenting their annual report and accounts for the period ended 30 June 2022.

1 Objectives and activities

The object of the Charity is the advancement of the Christian faith in HX7; Hebden Bridge and the surrounding areas. To raise awareness and understanding of Evangelical Christianity through teaching, friendship, fellowship, community service and outreach work. To serve the local community by the promotion of spiritual welfare through the practical expression of Evangelical Christianity: fellowship, friendship, mutual support and practical help (depending on circumstances and specific need).

These include Sunday Services as an expression of Christian worship; There is regular teaching and training in the Christian faith and opportunities for believers to express their spiritual nature through prayer and service, and live out their faith in practical ways as we serve those in our community.

5 Review of activities

Beacon Church Hebden Bridge has provided weekly Sunday Services and mid-week meetings in the HX7 area in which Christian worship and teaching take place, which are open to everybody regardless of belief. This benefits those who already Christians by helping them to learn more about their faith and giving those who are not the chance to explore Evangelical Christianity. During this period the church has moved the of location the Sunday Services are held from the outskirts of Hebden Bridge to the centre of the town, in order to make it easier for people to attend and raise the awareness of the church. The building we have chosen to meet in is a well used and is fully accessible to anyone with disabilities.

As a result of this move a number of new people have begun to attend the church and one man has chosen to follow the Christian faith.

These services and meetings also provide community in which friendships are built and in which fellowship mutual support and practical help take place. These are not only religious but social events open to all members of the community. This benefits those who attend by developing friendships, improving mental health, spiritual welfare and with practical support. For example, those younger and more physically able in the church have been able to provide support and practical help to those in the church who are older or have health issues by taking them to hospital, picking up prescriptions, and doing their shopping.

The Beacon Church Hebden Bridge has also sort to raise awareness and understanding of the Christian faith in the HX7 area through a weekly literature table in Hebden Bridge Town Square in which free Christian literature is given away and people have the opportunity to ask questions about Christianity. Through this people have begun to both attended the church and exploring the Christian faith. This awareness is built on in church and the mid-week meeting where those who desire to learn more.

On the last Sunday of each month, after the church service, Beacon Church Hebden Bridge has served the local community by providing monthly bring and share meal. This meal is open to all whether they attend church or not and it as has given further chances for fellowship and to develop friendships among those in the church or with those in the church.
