GLAMORGAN BRANCH

This combined letter from the Branch Trustees is to confirm that the aim of our Charity is still firmly committed to its commitments as listed on the Charity Register. Activities in 2025, included a Dinner Night, Armed Forces Day, Festival of Remembrance, Local Community Fates & Community Coastal Walks to raise awareness of mental health, allotment work to promote mindfulness and wellbeing and support of the RBL Poppy Appeal.

The above activities now form annual events to assist with active fund raising in 2026 along with other events to promote the Branch locally.
