ONE UMMAH NORTHFIELD
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2025

The trustees, for the purposes of the Charity Act, present their annual report and independently reviewed Financial Statements for the year ended 31st March 2025.

OBJECTIVES AND ACTIVITIES

The charity was incorporated as a Charitable Incorporated Organisation (CIO) and registered with the Charity Commission on the 10/03/2021.

The objectives of the charity is to advance the Islamic faith in Birmingham and the surrounding areas for the benefit of the public, in particular but not exclusively, through the holding of prayer meetings, lectures, public celebration of religious festivals, and carrying out outreach work in the local community.

The charity currently holds its community activities in hired premises. However, the long-term objective of the charity is to purchase and own a permanent community building.

The main activities to be undertaken by the charity to achieve its objects are as follows;

- i) Operation of a mosque which provides congregational prayers (i.e. daily, Friday, Eid and funeral prayers). A qualified and vetted imam (religious leader) to lead the congregational prayers.
- ii) Operation of a madrassah (i.e. religious education classes) on evenings and weekends, which are served by qualified and vetted teachers, and are attended by local students.

These facilities are open to the general public in the local and surrounding community.

ACHIEVEMENTS AND PERFORMANCE

The main achievements of the charity during the period 2024/25 are considered to be the following:

JUMU'AH (Friday Prayer)

Jumu'ah remains a central component of the charity's weekly activities. Attendance has continued to grow, reflecting the increasing reliance of the community on the charity's services. In response to rising attendance, the charity invested in:

- Additional prayer mats and storage boxes
- Extra heaters to maintain a comfortable environment during colder months

The weekly khutbahs (Sermons) delivered by the imam provide spiritual guidance and address contemporary community issues.

COMMUNITY ANNOUNCEMENTS

Weekly announcements during Friday prayers have strengthened community awareness of available support services. The charity regularly signposts individuals to:

- Legal advice services
- Social welfare organisations
- Mental health and family support resources

This has improved access to essential services for vulnerable individuals.

TARAWEEH (Ramadan Night Prayers)

Taraweeh is a voluntary prayer performed by Muslims during Ramadan (Month of fasting). Taraweeh is a way to draw closer to Allah (God), It is a way to reflect on one's relationship with Allah (God). It is a way to earn rewards and have sins forgiven. The community benefits by coming together in congregation every night for a whole month which helps them to rest and relax and engage in as much worship as possible, which has spiritual, physical and psychological benefits.

The Taraweeh prayers are delivered every Ramadan (Month of fasting), the number of attendees are growing every year.

VOLUNTEERING

Volunteer participation increased during the year, enabling the charity to continue its services such as Maghrib and Isha prayers which are mandatory Muslim daily prayers. Maghrib is an obligatory daily prayer after sunset, Isha is an obligatory night time daily prayer, these prayers are a pillar of Islam (Peace and Submission).

Both prayer services have seen a steady increase on the number of attendees. The Trustees see the need to have more volunteers from the community, with the increased participation of volunteers the charity has been able to fulfil more of its aims and objectives.

DONATIONS

Donation levels increased during the year, supported by:

- Expansion of prayer services
- Greater public awareness of the charity's activities
- Introduction of online donation facilities
- Increased use of digital payment devices (SumUp machines)
- Acquisition of customised street collection buckets and a Birmingham City Council permit
- Purchase and distribution of twist-and-click donation boxes
- Trustees continuous and consistent donation through standing orders and other payment methods

This growth in financial support has enabled the charity to enhance its services and invest in improved facilities.

EID UL FITR (End Of Fasting In The Holy Month Of Ramadan)

The community charity successfully organized an Eid celebration that brought together families, volunteers, and community members in a spirit of unity and joy. The event was held to mark Eid and to strengthen social bonds within the local community.

Overall, the Eid celebration was a meaningful achievement for the charity, highlighting its ability to bring people together, promote inclusion, and serve the community with compassion and dedication.

FINANCIAL REVIEW

In the Trustees' view, the reserves should provide the charity with adequate financial stability and the means for it to meet its charitable objectives for the foreseeable future.

The trustees propose to maintain the charity's reserves at a level which is at least equivalent to six months operational expenditure, and have done so having regards to its manner of operation of likely funding streams.

The trustees review the amount of reserves that are required to ensure that they are adequate to fulfil the charity's continuing obligations on a quarterly basis at their finance meeting.

The charity's principal sources of funds are through the generous donations made by the general public.

The charity has raised total funds to the amount of £24,918 in the period under review (2024: £12,386) of which £8,778 was spent (2024: £3,507) in the activities of the charity.

Methods of fundraising utilised by the charity include traditional direct banking (i.e. Standing Orders, Direct Debits), online fundraising (i.e. social media and fundraising platforms), community meeting collections, donation boxes etc.

The charity operates 2 bank accounts, a current account and a reserves account. The funds in the reserves bank account are intended to be 'ring fenced' to assist in the purchase of a community building.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Charity is registered with the Charity Commission as a Charitable Incorporated Organisation CIO under charity number 1193762.

The Governing Document used is the CIO - Foundation Model.
