	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The main achievement in the year was the delivery of training and establishment of a conservation site in the community of Walwaal. This was made possible by generous donations from the Mohamed Bin Zayed Species Conservation Fund, the Irene Prestwich Trust, Ms. Ruba Farkh and other individual donors. As well as the direct benefits to this community, the project is also benefiting the Somali Region of Ethiopia by building knowledge of yeheb conservation, which is being shared with local partners including the regional Agriculture Bureau and the Somali Region Pastoral and Agro-pastoral Research Institute. The charity has had an active website and social media presence. Through these the Trustees created connections with a variety of stakeholders and answered questions from the public about Yeheb. The trustees have reviewed their long-term strategy and funding plan for the charity and believe that this remains appropriate.
