

Warwick District Scout Council ("the District")
Trustees Report for the year ended 31st May 2023

Objectives and Activities

Our aim is to contribute to the development of young people in achieving their full physical, intellectual, social, and spiritual potentials, as individuals, as responsible citizens and as members of their local, national, and international communities. Warwick District Scout Council carries out this purpose across the district via eight local scout groups.

Core Strategy

Warwick District Scout Council supports the strategies of The Scout Association.

The Scouting for All Strategy sets four key goals:

1. **Growth** - Scouting succeeds when we offer opportunities to as many young people as possible.
2. **Inclusivity** - Scouting continues to become more reflective of the diversity of UK society.
3. **Youth Shaped** - Scouting works better when young people shape their experiences.
4. **Community Impact** – Scouting is an active part of the community and works with the community.

We engage in the Skills for Life strategy which has developed from Scouting for All.

Our Mission

Scouting actively engages and supports young people in their personal development, empowering them to make a positive contribution to society.

Our Values

We act with care, respect, integrity, cooperation, exploring our own and others' beliefs.

To support the achievement of these Goals, we will focus on three pillars of work:

People

More, well trained, better supported, and motivated adult volunteers, and more young people from diverse backgrounds.

Perception

Scouting is understood, more visible, trusted, respected, and widely seen as playing a key role in society today.

Programme

A fun, enjoyable, high-quality programme consistently delivered and supported by simple (digital) tools.

Financial Review

Income for the year increased to £112,778.37.

Expenditure also increased to £93,180.45.

This resulted in a surplus of £19,597.92 and a closing balance of £67,731.30.

Our reserves policy is to hold sufficient resources to continue the charitable activities of the District should income or fund-raising activities fall short of expectations and to enable the District to underwrite its planned programme of activities, including large scale events.

The District Executive holds reserves for at least 6 months of annual operating costs.

The District Executive has reviewed the impact of recent economic, social and financial pressures on its capability to deliver education and development opportunities to young people and has maintained the level of reserves.

None of the funds managed are in deficit and no assets are held by the Charity in the capacity of custodian trustee.

The District adopts a low risk investment strategy and all funds are held in current accounts and low risk interest bearing accounts, using only FSCS protected accounts.

With the District Treasurer, the District Executive regularly monitors levels of bank balances and interest rates to ensure the District is receiving best value and income from its banking arrangements.
