The Trustees are pleased to present their Report together with the Financial Statements of the Charity for the period.

Legal and Administrative information on page 1 is also included as part of the Report. The Financial Statements comply with current statutory requirements and the Statement of Recommended Practice – Accounting and Reporting by Charities.

Objects

The objects of the charities are to:

- Further such charitable purposes for the public benefit as are exclusively charitable according to the laws of England and Wales as the trustees may from time to time determine, in particular through the making of grants and donations to registered charities.

Organisation and Management

- The Trustees held Board meetings during the year. The Trustees also maintain regular contact with each other by email and telephone.

Appointment and Removal of Trustees

- The Trustees are appointed by the Board of Trustees.

Reserves Policy

- It remains the policy of the Charity to maintain unrestricted funds which are the free reserves of the Charity at a level to cover two months operational costs.

Risk Management

- The Trustees have assessed the major risks to which the Charity is exposed, in particular, those related to the operations and finances of the Trust and are satisfied that systems are in place to mitigate their exposure to the major risks.

Trustees' responsibilities in relation to the Financial Statements

Law applicable to Charities in England and Wales requires the Trustees to prepare Financial Statements for each financial year which give a true and fair view of the Charity's financial activities during the year and of the financial position at the end of the year. In preparing those Financial Statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgement and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed subject to any departures disclosed and explained in the Financial Statements;
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the Financial Statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.
