Summary of the main achievements of the charity during the year

We have had a very busy year as usual. Every Sunday and Wednesday we hold meetings that are open to the public, where the word of God is faithfully preached. The meetings are run in accordance with the bible directives for the church.

We hold regular Saturday activities which are again open to all.

In June we held a public outreach event. This involved handing out and door dropping invitation leaflets around the area of Bournemouth in the weeks and months leading up to the event. On the day we had various display stands, musicians and volunteers inviting and speaking to the public. We also had one of our international pastors come and give a relevant presentation about the state of the economy in relation to the word of God. This event was very well attended and we had many visitors who had never been to our meetings before come in and listen. This also resulted in a baptism.

There were quite a few camps in the year that were attended by our regular members and also new members.

We made a donation to our mission fund for West Africa that is managed by the assembly in the Netherlands.

An interest free loan was made to a regular attendee due to an unexpected family emergency. These funds were repaid over the following year.

A new baptism tank was purchased via the assembly in the Netherlands which was a great help as our current tank had leaks in the corners.

The pastor and sometimes his family were able to visit other assemblies around the UK and also overseas now that the covid restrictions have been lifted. This is a great opportunity to build unity and support other assemblies.

We also paid a deposit towards the kids camp to be held the following year.

Brief statement of the charity's policy on reserves

We have no formal reserves policy as yet : The main purpose of our reserves is to cover any unexpected costs such as replacement baptism tank, musical equipment, sound equipment, provide grants for members experiencing financial hardship etc. and to fund, eventually, the purchase of our own hall.

Details of any funds materially in deficit
