FOR ENGLAND AND WALES

Trustees' Annual Report for the period

From 1st April 2021 To 31st March 2022

Charity name: Huddersfield and District Woodturners

Charity registration number: 1193836

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The objectives of the CIO are: 1) To promote the craft of woodturning for the public benefit and in doing so raise the appreciation of the creativity, skill and heritage of woodturning. 2) To advance the education of the public in the craft and skill of woodturning.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	The CIO holds two meetings per month, one is a demonstration by either a professional turner or an experienced member of the CIO. The second meeting of the month is a hands-on session where members can practice and receive tuition in woodturning. Prospective new members of the CIO can attend these meetings as "Taster Sessions" to try out and find out more about woodturning. The CIO has also run a number of Taster Sessions during the year. The number of these have been restricted due to the impact of the Covid pandemic. However, we have held two evening session for members of the local Scout Group with 10 to 15 Scouts attending each of these sessions. A full day event was also held for young people with Special Educational Needs and Disabilities (SEND). This was a full day of tuition for eight young people, two of which have now become members of the CIO. The CIO also had its usual stall at the Honley Show where members demonstrated woodturning for the public and raised funds by the sale of items produced by members.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	This year has been challenging due to Covid 19 restrictions which meant that the CIO could not carry out all of it's usual activities. During the period that the CIO could not hold it's normal meetings a series of Zoom meetings were held which included Interactive Remote Demonstrations (IRD) from professional woodturners club members. These Zoom meetings were particularly beneficial for a number of our more isolated members who had limited social contact during the Covid restrictions. Once the restrictions had been lifted one of the key highlights of the year was a full day taster session for eight young people with Special Educational Needs and Disabilities (SEND). The event was organised with support from the Association of Woodturners of Great Britain and the local council, both of whom provided financial support for the event. The event was also supported by Robert Sorby Ltd., a woodturning equipment a tool manufacturer.

		Two of the attendees of the SEND day have now become members of the CIO. Two evening Taster Sessions for members of the local Scout Group were held with 10 to 15 Scouts attending each of these sessions. The CIO also had its usual stall at the Honley Show where members demonstrated woodturning for the public and raised funds by the sale of items produced by members.

Review of the charity's financial position at the end of the period	Para 1.21	The Trustees considered the CIO to be in a sound financial position and well able to meet all known future commitments.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	N/A
Amount of reserves held	Para 1.22	Nil
Reasons for holding zero reserves	Para 1.22	The CIO does not hold any specific reserves. The reason for this is that the CIO does not have any long term financial commitments that would require the holding of reserves.
Details of fund materially in deficit	Para 1.24	N/A
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	The Trustees know of no reason why the CIO should not continue and continually monitor any potential obstacles. The CIO operated throughout the pandemic by adapting to the circumstances and the use of technology which enabled the Members to communicate remotely.

However, the CIO rents it's premises by hourly rate, and should the Community Centre fail, new premises would obviously become a necessity. The CIO are conscious of this and as the CIO continues to prosper, the capacity of the current premises may become an issue.
