Structure & Governance

The Bathurst Family Foundation was incorporated as a Charitable Incorporated Organisation on 17th March 2021, number 1193838. The charity is governed by its constitution. This is the trustees' first annual report since the charity's incorporation.

During the reporting period, the charity was governed by its four founding trustees, and an additional trustee from the 12th April, 2021; Rosie Bathurst.

New trustees are appointed by the existing trustees and serve for a term of three years, after which they may put themselves forward for reappointment. The charity's constitution provides for a minimum of three trustees.

The trustees communicate primarily through electronic means, in which they agree the broad strategy and areas of activity of the charity, and consideration of grant making. The day-to-day administration of the charity is conducted by the trustees and is not delegated to any sub-committees or other individuals. All trustees give their time freely and no trustee remuneration was paid in the reporting period.

Objectives & Activities

Objects for the Public Benefit

The objects of the Bathurst Family Foundation are to advance such charitable purposes (according to the law of England and Wales) as the trustees see fit from time to time, and in particular but not limited to, the provision of support to the local community of Cirencester and surrounding areas by making grants to support local charitable projects and causes.

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities and setting the grant making policy for the year.

Achievements & Performance

In the reporting period the trustees' focus was on establishing the charity, its operating infrastructure and grant-making processes.

Following a delay as a result of restrictions on opening new bank accounts related to pressures in the banking system from the COVID-19 pandemic, the trustees established the charity's bank account in November 2021.

To date, no fundraising has occurred, and no income has been received. It is anticipated that fundraising events will commence in 2023.

Grant Awards

No grants have been awarded in this reporting period.

Financial Review

The report of the charity's finances during this financial period covers the time between the incorporation of the charity in March 2021 and the end of the reporting period on 5 April 2022. During this period the charity incurred no costs, and raised no funds.

The Bathurst Family Foundation has no requirement to have the accounts independently audited or examined as it has not exceeded £25,000 in gross income.

Given the lack of trading activity, trustees do not feel the need for an independent examination of the charity accounts for this period.

Fundraising

No fundraising has occurred during the reporting period.

Expenses

No expenses were incurred during the reporting period.

Balance Sheet & Reserves

The charity ended the period with net assets of £500. The £500 in the bank account was donated by the trustees to set up the charity bank account.

The charity will hold its reserves as cash balances at its bank but as yet holds £500 in its accounts. The trustees will continue to review options for holding reserves across a number of third parties, as appropriate, to reduce risk.

Declaration

The trustees declare that they have approved the trustees' report above.

Signed on behalf of the charity's trustees:

Ben Bathurst, Chair of the Trustees
