Review of Progress and Achievements

During the year the organisation has enjoyed the support of generous donations which served to meet our general running costs; together with loans and donations from members to help fund our new building project. We express our appreciation to those who have helped us during the year.

How our activities deliver Public Benefit

The key beneficiaries of our work continues to be the community in the catchment that we serve. However, our users come from all over Oldham and other local communities; The Equal Opportunities Policy that we abide by ensures that any other community is discriminated against..
