Details of fund materially in deficit	Para 1.24	N/A
Explanation of any uncertainties about the	Para 1.23	Uncertainties:

charity continuing as a going concern		- the number of children registered to attend fluctuates which is the main income source - ability to recruit trustees, management committee volunteers to fulfil the obligatory roles – chairperson, treasurer, secretary, - staffing within the welsh childcare sector is limited, particularly when cover is required at short notice - the setting is based in a rented hall and so if the hall became unavailable or rent increased significantly this would have a big impact on the ability to operate the cylch.
