Purpose of the Charity

Outland Opera's Charitable Objects are as follows: to educate the public in operatic arts to further the development of public appreciation in the said arts through public performances in rural areas with a focus on local and regional history.

Achievements and performance

Outland Opera was founded in 2021 and has since composed two operas based on the regional history of Dorset, with composer Tom Floyd. A series of 'Story Shares' took place in the summer of 2021, during which Dorset people around the project sites were recorded telling stories about the locality. In 2022, Outland Opera had a residency at Lighthouse in Poole as part of its 'Sanctuary' programme and worked with Dorset Libraries on the delivery of a programme of creative workshops based around the operas.

Structure, governance, and management

Outland Opera is a Charitable Incorporated Organisation (CIO) and has a charity constitution, which was last updated in 2021. Trustees are appointed for a term of three years by a resolution passed at a properly convened meeting of the charity trustees. In selecting new trustees, the existing charity trustees must have regard to the skills, knowledge and experience needed for effective administration of the CIO. Outland Opera is currently not seeking to appoint additional trustees.

Financial Review

The charity covered all the costs of its activities through fundraising, giving rise to a small surplus at the year-end. The charity has no staff or significant overhead costs and its activities are linked to specific events for which it raises funds according to budgeted costs, so the trustees have not established a fixed reserves policy as it has no regularly occurring operating costs for which it need to provide.

Public benefit statement

Outland Opera Trustees confirm that its activities are as stated in its objects and of public benefit.
