

ANNUAL REPORT OF THE TRUSTEES OF THE LIMELIGHT FOUNDATION FOR THE PERIOD ENDING 31ST MARCH 2022

Although the Charity was established on 16th April 2021, the first period has been spent in extensive and thoughtful planning with a view to commencing operations in the spring of 2023.

Accordingly there was almost no financial activity although we did generate some modest income in February and March 2022

The Annual report for the year to 31st March 2023.will provide further detail.

The trustees are satisfied that the planning process has been successful and will bring good results.
