FOR THE YEAR ENDED 31ST MARCH 2025

11. STAFF COSTS AND NUMBERS

The Charity employed no members of staff during this or the previous financial period.

12. PAYMENTS TO TRUSTEES AND RELATED PARTY TRANSACTIONS

No payments were made to trustees or any persons connected with them during this financial period. No material transactions took place between the organisation and a trustee or any person connected with them.

During the previous financial year the Trustees of the Open Arms Trust (Registered Charity Number 1194220) agreed to enter in to contractual obligations under a Tenancy Agreement with Raisefuel Ltd (Registered Company Number 09188226). The Trustees of the Open Arms Trust have agreed to lease premises at 74-80 Derby Road, Bootle, Liverpool, L20 1AD for a fixed term of three year commencing on the 16th May 2022 with a cost of £7,500 per annum.

The Trustees of the Open Arms Trust (Registered Charity Number 1194220) are also the Directors and Shareholders of Raisefuel Ltd (Registered Company Number 09188226) and all conflicts of interest have been identified, documented and managed and in accordance with the Charity's Governing Document.

The Directors of Raisefuel Ltd (Registered Company Number 09188226) have agreed to provide the premises under Tenancy Agreement at no cost to the Open Arms Trust (Registered Charity Number 1194220) in order to assist the Charity in the delivery of the Charitable objects.

The Trustees of the Open Arms Trust (Registered Charity Number 1194220) have agreed to include the annual lease cost as a Gift in Kind of donated facilities to the Charity and as such the transaction has been substantiated and included in the accounts for the year ended 31st March 2025.

13. RISK ASSESSMENT

The Trustees actively review the major risks which the charity faces on a regular basis and believe that maintaining the free reserves stated, combined with the annual review of the controls over key financial systems carried out on an annual basis will provide sufficient resources in the event of adverse conditions. The Trustees have also examined other operational and business risks which they face and confirm that they have established systems to mitigate the significant risks.

14. RESERVES POLICY

The Trustees have considered the level of reserves they wish to retain, appropriate to the CIO's needs. This is based on the CIO's size and the level of financial commitments held. The Trustees aim to ensure the CIO will be able to continue to fulfil its charitable objectives even if there is a temporary shortfall in income or unexpected expenditure. The Trustees will endeavour not to set aside funds unnecessarily.

15. PUBLIC BENEFIT

The CIO acknowledges its requirement to demonstrate clearly that it must have charitable purposes or 'aims' that are for the public benefit. Details of how the CIO has achieved this are provided in the Trustees report. The Trustees confirm that they have paid due regard to the Charity Commission guidance on public benefit before deciding what activities the CIO should undertake.

**NOTES TO THE DORMANT FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST MARCH 2023**

1. ACCOUNTING POLICIES

Basis of Preparation & Assessment of Going Concern

Basis of Preparation

The dormant financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015) - (Charities SORP - FRS102) and the Charities Act 2011.

The Charity meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost unless otherwise stated in the relevant accounting policy notes.

Assessment of Going Concern

Preparation of the accounts is on a going concern basis. The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

Incoming Resources

Recognition of Incoming Resources

These are included in the Statement of Financial Activities (SOFA) when:

- the charity becomes entitled to the resources;
- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability

Incoming Resources with Related Expenditure

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resource and related expenditure are reported gross in the SOFA.

Grants and Donations

Grants and Donations are only included in the SOFA when the charity has unconditional entitlement to the resources.

Tax Reclaims on Donations and Gifts

Incoming resources from tax reclaims are included in the SOFA at the same time as the gift to which they relate.

Contractual Income and Performance Related Grants

This is only included in the SOFA once the related goods or services has been delivered.

Gifts in Kind

Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SOFA as incoming resources when receivable.

Donated Services and Facilities

These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

Volunteer Help

The value of any voluntary help received is not included in the accounts.

Investment Income

This is included in the accounts when receivable.

Expenditure and Liabilities

Liability Recognition

Liabilities are recognised upon a legal or constructive obligation committing the charity to expend resources.

Governance Costs

Include costs of the preparation and examination of statutory accounts, the costs of the trustees meetings and cost of any legal advice to trustees on governance or constitutional matters.

Grants with Performance Conditions

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SOFA once the recipient of the grant has provided the specified service or output.

Grants Payable without Performance Conditions

These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to a grant which remain in control of the charity.

Support Costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of the resources, eg allocating property costs by floor areas, or per capital employed, staff costs by the time spent and other costs by their usage.

Unrestricted Funds

These funds can be used for the general objectives of the charity as set out in the trustees report. The movements of the unrestricted funds are given in the Statement of Financial Activities.

Restricted Funds

These funds are where the donor has specified a purpose for the donation made. These restrictions often arise as a result of the regular appeals for special offerings made at the Sunday fellowship meetings.
