REPORT OF THE TRUSTEES (Continued)
FOR THE YEAR ENDED 31 March 2023

PLANS FOR THE FUTURE

The Charity plans to hold various religious events and will be aiming to achieve its targets through securing donations from willing individuals.

We will also continue to support our members through our various charity programs.

We also aim to provide educational programme and seminars to the public.

INCOME GENERATION

The Charity has generated donations of only £7,483.85 during the year 2023 compared to £7,191.00 in year 2022. This includes direct transfers into charity's account.

RISKS

The trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen those risks.

RESERVES POLICY

The Charity is committed to using its resources in pursuit of its charitable objects. It is also committed, however, to maintaining a level of reserves that is prudent to meet ongoing liabilities, sufficient to ensure that all service delivery commitments can be met and to protect the long-term future of our operations. Kingdom Builders Outreach reserves policy seeks to balance these priorities by holding a level of reserves sufficient to:

- Ensure the availability of sufficient working funds in hand.
- Provide a cushion in case of unexpected loss of income to ensure that services can be maintained.
- Provide sufficient funds for an orderly winding-down in the event of a need to cease activity.

The trustees review the situation on a regular basis and take immediate corrective action as and when necessary.

GOVERNANCE AND INTERNAL CONTROL

A Board of Trustees governs the Charity. New Trustees are selected by the Board of Trustees and are subject to re-election every five years. On 31 March 2023, the Board had a membership of three people, and another new trustee is in the process of being appointed.

The Board meets three times a year to agree key policy decisions, set the strategy for the charity and oversee its performance. At present the Board has committee members who are responsible for the day-to-day activities of the charity. None of the committee members is being remunerated.

All Trustees receive the handbook for Trustees provided through the Charity Commission. Each Trustee will have an induction programme by other Trustees and receive an information pack on the Charity and its finances. Beyond this the Charity follows the code of practice for governance produced by the Governance Hub.

Company law requires the Trustees to prepare financial statements for each financial year, which comply with the Charities Act 1993 as amended the systems of internal control are designed to provide reasonable, but not absolute, assurance against material misstatement or loss.

They include:

- A strategic plan and annual budget approved by the Trustees;
- regular consideration by the Trustees of financial results, in particular variance from budget; and
- Delegation of authority and segregation of duties.

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice).

The financial statements are required by law to give a true and fair view of the state of affairs of the charitable company and of the excess of income over expenditure for that period.

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31 March 2023

1. ACCOUNTING POLICIES

Basis of preparation

The financial statements have been prepared under the historical cost convention. The financial statements have been prepared in accordance with the Statement of Recommended Practice (SORP), "Accounting and Reporting by Charities" (2005), the Charity Act 1993 and applicable UK accounting standards.

Cash flow statement

Under FRS 1 the Charity is exempt from the requirement to prepare a cash flow statement on the grounds that the charity is below the threshold specified in Appendix 2 of the FRS1.

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund are set out in Note 2.

Investment income and gains are allocated to the appropriate fund.

Incoming resources

All incoming resources are included in the Statement of Financial Activities (SOFA) when the Charity is legally entitled to the income and the amount can be quantified with reasonable accuracy. The grant income where related to performance and specific deliverables are accounted for as the Charity earns the right to consideration by its performance. Where income is received in advance, its recognition is deferred and included in creditors. Where entitlement occurs before income being received, the income is accrued.

Resources expended

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings, they have been allocated to activities on a basis consistent with the use of resources. Premises overheads have been allocated on a floor basis and other overheads have been allocated on the basis of the head count.

Community project costs are those costs incurred directly in support of the objects of the Charity. The community project cost includes other support costs incurred in support of the objects of the Charity. Governance costs are those incurred in connection with governance arrangement of the Charity, which relate to the general running of the Charity and compliance with constitutional and statutory requirements. The basis of allocation for support costs and governance costs has been explained in Note 3.
