Structure, governance and management

The foundation is a registered charity, number 1194330, and is constituted under a trust deed dated 4 May 2021.

New trustees are appointed by the existing trustees and serve for five years after which they may put themselves forward for re-appointment.

At the trustee meetings, the trustees agree the broad strategy and areas of activity for the foundation, including consideration of grantmaking, investment, reserves, risk management policies and performance.

We have an application process where our application form is to be completed and is reviewed at the trustee meetings to decide if the application is successful and the grant can be awarded.

All trustees give their time freely and no trustee remuneration was paid in the year.

The charities objectives is to promote community participation in healthy recreation in Medway, Kent and the surrounding areas, in particular by the provision of grants to provide and assist in the provision of facilities and opportunities for the playing of various sports.

This year we have been able to support a number of individuals and organisations with grants to continuing their interest in sporting activities.

The trustees have regard to the guidance issued by the Charity Commission on public benefit.
