Trustee Annual Report 2023 to 2024

Now into our 3rd year as a charity we have continued to apply for grants to allow us to provide a better service to our mums.

This year we were fortunate to be granted £19390 from The National Lottery Awards for All. Amongst other things this has been put to good use in providing therapy sessions for our mums.

We had an award of £2400 over 2 years from Leek Building Society. This money is being used for The Secret Storyteller who comes in once a month and tells a story through play. This teaches our mums how to engage with their babies and is really successful. Our local Councillor also donated £216 from her fund to allow us to purchase Christmas presents for our mums and babies.

We have been fortunate to get a few more volunteers who are helping to take us further afield into more community hubs. We are hopeful with more funding that we can take the charity from strength to strength as we get ourselves known in the community.

Going forward for 2025 we intend to apply for further funding from The National Lottery to continue our much needed work.
