

Annual Report 2024 - Shifnal Help Food Bank

The SHFB has the following named Trustees:

Chris Thorpe, Catherine Rogers, Phil Freeth, Sue Lawrence, Liz Hobbis, Amy Case, Elizabeth Hepburn, Dave Gough, Annie Donnelly and Sue Francis.

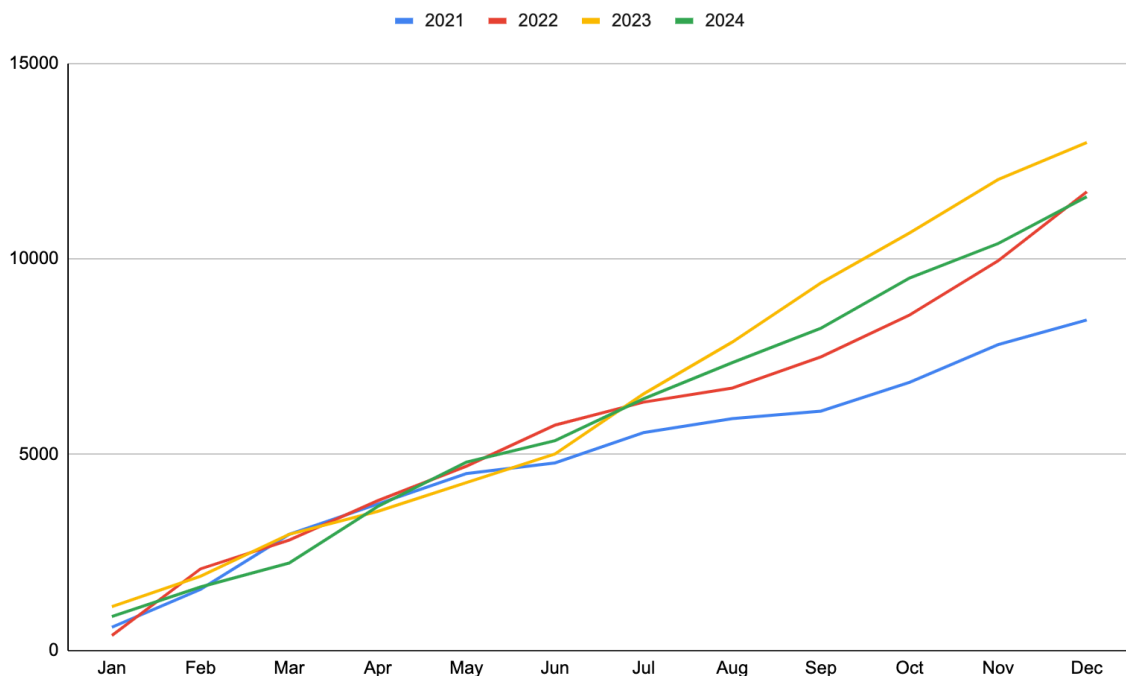

There is a management committee comprising some trustees and regular volunteers who meet bi-monthly to discuss both operational and policy matters and ensure that the business of the SHFB continues to meet and satisfy its objectives.

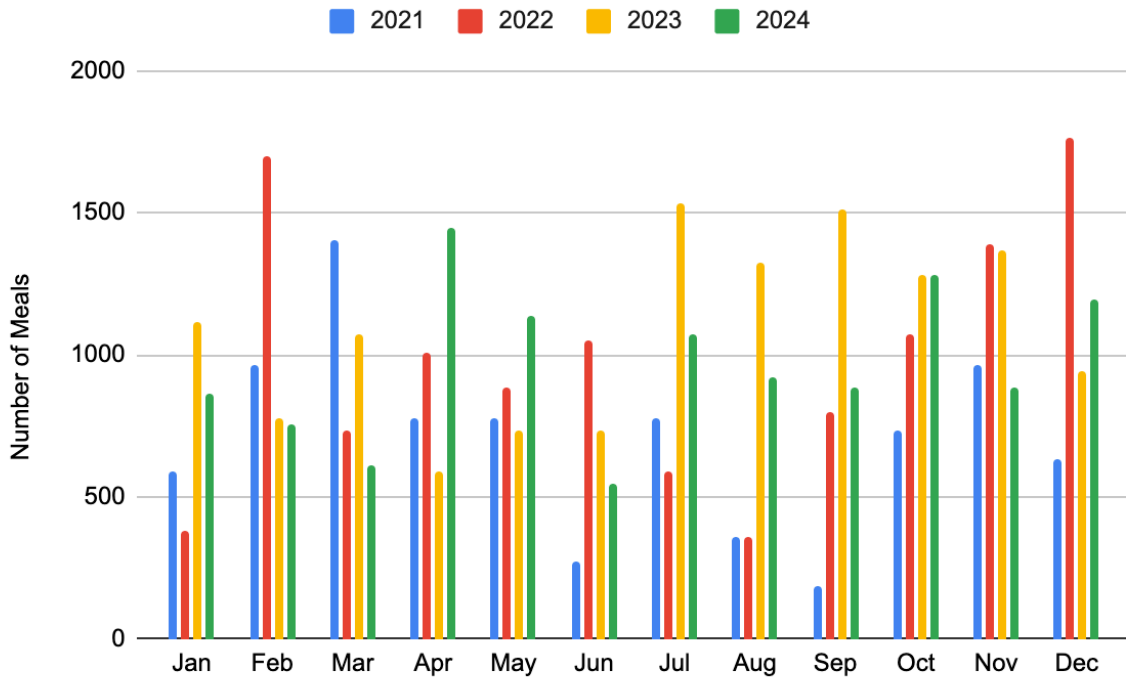

Shifnal Help Food Bank continues to be a valuable asset to the community, building bridges of support and caring, making connections and its location at St Andrew's Church, Shifnal is a vital hub for that support.

We are pleased to say that demand for the food bank fell during 2024, and the figures in the poster and line graph demonstrate this. Overall annual demand January 2024 - 31st December 2024 decreased by 10.68% compared with equivalent period 2023/2024.

In the year Jan 1st - December 31st 2024 we supported a total of 552 people providing the equivalent of 11592 meals.

In the same period in 2023 we supported a total of 618 people with the equivalent of 12978 meals.

(This poster provides data relating to Jan1st 2024 - December 31st 2024)

Shifnal Help Food Bank

Registered Charity No: 1194399

Supporting our community.

Did you know?

In 2024 Shifnal Help Food Bank supported **552 people** providing the equivalent of **11,600 meals**

Your monetary donations as well as longlife food donations, enable us to provide families with fresh fruit, vegetables, eggs and bread , as well as longlife food in their parcels.

Thank you so much for your continuing support and generous donations.

Please donate dried and non-perishable items for the foodbank at Bradford Street Co-Op, Woods' Drycleaners or at St Andrew's Church. Thank you.

Sue Lawrence and her fantastic and dedicated team of around 12 regular volunteers, have worked so hard throughout the year, to respond to the demand, managing huge volumes of very generous donations of stock, which has to be collected from donation points around Shifnal, date coded, and racked away, before it is selected, packed into food parcels and collected by those we support. We also shop for fresh fruit and vegetables, bread and eggs as parcels are requested, to ensure that the parcels provide a balanced diet.

SHFB continues to provide weekly term time support to Idsall Secondary School and Sixth Form, providing stocks of snacks, fruit, pot noodles, cereal etc for pupils in receipt of Pupil Premium, whose daily lunch allowance is barely enough to cover the costs charged in the school canteen.

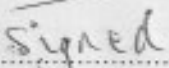

In December 2024 the food bank ran its Christmas Hamper project, for the fourth year. 97 hampers were packed and delivered. This was a 13% increase on the number delivered in 2023. We were extremely grateful to Shifnal Town Council who once again supported the Hamper project with a £1500 grant.

The hosting of the Everyday Warm Welcome at St Andrew's continues to provide a good link and opportunity to signpost those seeking support and struggling with cost of living increases and particularly high energy prices, to spend time in the free, warm, safe and welcoming space and to enjoy hot refreshments and a soup lunch.

Shifnal Help Food Bank would like to thank St Andrew's Church for generously continuing to host the food bank, and everyone across the community for their continued generous support with both food and financial donations. A huge thank you to all the dedicated volunteers who organise and manage the food bank every week, and the donation points at Woods Drycleaners, Co-Op and One Stop.

SHIFNAL HELP FOOD BANK INCOME & EXPENDITURE SUMMARY
