Trustees' Annual Report for the year ended 1 January 2025

Objectives and activities of the charity

The objectives of the church are set out in the CIO document:

1. To advance the Christian Religion for the benefit of the public through the holding of prayer meetings, lectures, public celebration of religious festivals, producing and distributing literature on the Christian Faith to enlighten others about the Christian Religion.
2. To prevent and relieve poverty for the public benefit by providing funds, goods and services in such parts of the United Kingdom or the world as the Trustees from time to time may think.

Significant activities

The principal activities of the charity are Christian worship and involvement of various ministries and ministers of Religion in propagating the Christian Tenets of faith to members (and non-members) who seek to develop an understanding of the Gospel through the various meetings provided by the Church.

There is also an extension of the Christian Faith through other direct Community Outreach programmes.

Review of the year's activities

The Trustees of the Charity having due regard for the reporting of public benefit provided by the Charity in line with the Charities Act 2011, are pleased to report that the church was involved with community focused events and projects providing direct benefit for the public in the UK.

The Charity commits to the promotion of the Christian Faith by leasing on a weekly basis a place at Holy Family Church, Gravesend Kent, to provide the public with the ongoing opportunity to attend Church services enabling them to grow and develop in the Christian faith, teachings and Principles.

The worship activities make provision for Christian Worship Services, teaching sessions, discipleship classes and prayer meetings throughout the week. The Church also meets online via zoom on a weekly basis for bible study classes. This platform is open to non-members and provides an avenue to advance Christianity in the community on an informal basis.

Evangelism is a core value and outreach strategy of our Church to reach out to communities. We distribute Christian Tracts in the community, speak to people in parks and public places about the Christian faith, provide light refreshments in parks as we look to engage the community to drive forward the Christian faith. We also collaborate with local churches to promote picnics, BBQ outreach and summer family fun days where food and drinks are provided.

The trustees have had regard to the Charity Commission's guidance on public benefits in managing the activities of the charity.

Financial review

The trustees consider the financial performance by the charity during the year to have been satisfactory.

Structure, governance and management of the charity

Recruitment and appointment of new trustees

In making the appointments, the CIO's governing document is checked to ensure that the new trustees are appointed in a proper and legal way.

Preferred candidates, with the required expertise and skill set, are identified and invited for interview to be a member of the charity's board of trustees. (Subject to formal vetting and approval by the full trustee board.) Potential trustees are vetted. Checks are carried out to ascertain candidates have not been disqualified from acting as trustees, and candidates are asked to confirm in writing that this is the case.

Candidates are asked to consider and declare any existing or potential conflicts of interest. Appropriate checks from the Disclosure and Barring Service are conducted. In the light of the checks and declarations, the trustees decide to go ahead and formalise the appointment of new trustees. Trustees meet and make a decision on the appointment of each new Trustee and the office they hold.

All new trustees are given a copy of the CIO's governing document and all relevant documents and guides from the Charity Commission. All new trustees are introduced to the church and the office they hold.

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes an unincorporated charity.

Organisational structure

The board of trustees works closely with the management team and other advisers who promote the objectives of the charity. The charity also collaborates with the New Covenant Church Charity Number 1004343 where our objectives align. The board of Trustees holds meetings throughout the year and directs the pastoral team to promote the policies, strategies, programmes and projects that are geared towards achieving the charity's objectives.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.
