Trustees' Report

The trustees present the annual report together with the financial statements of the charity for the period ended 31 March 2022.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Charity's Trust deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective from 1 January 2015).

Objectives and activities

The Trustees hold the Trust Fund and its income upon trust to apply them for the religious and charitable purpose, particularly to administer, manage and organize the affairs of the Dawoodi Bohra Jamaat of East London as per the "12 Umoor Programme" introduced by the 53rd al-Dai al Mutlaq, His Holiness Dr Syedna Mufaddal Saifuddin TUS and particularly for the following purposes.

- To advance and propagate education and learning, including the administration and organisation of religious and temporal affairs, of the Dawoodi Bohra Jamaat of East London and to practise and observe Islamic religion in conformity with al-Quran, Islamic Shariat and the Fatimi philosophy, culture and traditions, all as interpreted by al-Dai al-Mutlaq.
- To advance education and learning including, but not limited to, supporting religious schools, secular educational institutions and scholastic prizes and promoting literature and languages, especially the Arabic language and Lisan al-Dawat.
- The relief of need, hardship and distress.
- The provision and assistance in the provision of facilities for the recreation and other leisure time occupations of the beneficiaries particularly for women and young people in the interests of social welfare and so that their condition of life may be improved.
- To advance Islam and to provide other charitable relief in accordance with the terms of the Trust Deed.

The policy of the Trust continues to be to seek support and provide for the aims as stated.

The Trust organises events where the teaching of Islam and the nature of the Islamic faith is shared with non-Muslims.

The Trustees confirm that they have paid due regard to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives in setting the grant making policy for the year.

The Trust has established its grant making policy to achieve its objects for the public benefit for the advancement of religious and charitable purposes of the Dawoodi Bohra Jamaat of East London in particular and the community at large. Grants are made at the discretion of the Trustees in respect of any application from individuals or institutions that may apply for assistance within the objects of the Trust. Formal applications are required setting out the reasons for the grant. The policy of the Trustees is to make large single grants rather than many smaller ones.

Financial review

The Trust income in the year was £129,807, total resources expended on charitable activities was £127,612, the surplus generated for the year was £2,195.

Anjuman-E-Shehabi (East London)

Trustees' Report (continued)

At the year end, total net assets were £2195.

Reserves policy

The reserves policy is to hold funds to enable the Trust to carry out its operations and at an adequate level to meet its objectives. This provides for sufficient funds to be available for all management and administrative costs as well as ensuring adequate funds continue to be available for the costs of the Trust's charitable activities. The balance held as unrestricted funds at 31 March 2022 was £2,195.

Investment policy

The Trust deed authorises the Trustees to make and hold investments using the funds of the charity. The Trustees also have power to hold funds with bankers as necessary. Due to the tenets of the Dawoodi Bohra faith, interest can neither be received nor paid, and as a result, the Trust is part of a network of other connected charities that operate a programme related investment made in the form of interest free loans (Qardan Hasana) to each other and other third parties for the purposes of furthering the objects of the Trust.

Structure, governance and management

The Trust was created on 15 Feb 2021 by the 53rd Dai al - Mutlaq, His Holiness Dr Syedna Aaliqadr Mufaddal Saifuddin (TUS). The Trust Deed to record the creation of the Trust was completed and signed on 20 April 2021 and registered charity status was confirmed by the Charity Commission on 11 May 2021.

Trustees are appointed by the Dai al-Mutlaq for a term of five years or as may be determined by the Dai al-Mutlaq, and at the expiry date of each such term they retire. At the end of each such term the Dai al-Mutlaq appoints Trustees who may consist of some or all of the retiring Trustees. The Dai al-Mutlaq may appoint additional Trustees at any time during the currency of each term. The person so appointed is a Trustee up to the expiration of the term, so that all Trustees retire simultaneously, provided that at the expiry of the term, the Trustees continue to be Trustees until the Dai al-Mutlaq appoints new Trustees. The Amil Saheb of East London is ex-officio a Trustee.

The Trustees named on the legal and administrative information page have served during the year and up to the date of this report.

New Trustees are considered for appointment, taking into account the skill requirements of the Trustee body. The induction process for new Trustees provides them with meetings with the Board of Trustees and with documentation setting out the policies and grant making processes of the Trust, the power and responsibilities of the Trustees and a brief history of the Trust including copy minutes and accounts.

Meetings of the Trustees are held regularly at which they agree the broad strategy and areas of activity for the Trust. The day to day administration of grants and processing and handling of applications prior to their consideration by the Trustees, together with the administration of expenditure on other charitable activities is delegated to the Secretary and the Treasurer. The activities of the restricted funds are managed by sub-committees who report to the Secretary.

The Trustees consider the board of Trustees as comprising the key management personnel of the Trust in charge of directing, running and controlling the Trust. All Trustees give their time freely and no Trustee remuneration was paid in the year.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Income and endowments

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

Donations and legacies

Donations and legacies are recognised on a receivable basis when receipt is probable and the amount can be reliably measured.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Anjuman-E-Shehabi (East London)

Notes to the Financial Statements for the Period from 11 May 2021 to 31 March 2022 (continued)

Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.
