CROWLAND LEISURE & WELLBEING CENTRE CIO

Annual Report

for the year ended 31 October 2025

Introduction

We are pleased to present the Charity Trustee's Report for financial period ending 31 October 2025 for Crowland Leisure & Wellbeing Centre. This report is intended to provide an overview of the charity's activities, achievements, and financial performance during the period.

The trustees have adopted the provisions of the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019 in preparing the annual report and financial statements of the charity.

Charity Overview

Charity Name: Crowland Leisure & Wellbeing Centre

Registered Charity Number: 1194439

Principal Office Address: Parish Rooms, Hall Street, Crowland, Peterborough, PE6 0EN

Principal Operation Address: St Guthlac's Sports Hall, Crowland

Trustees

The Charity Trustees that held office during the period are as follows:

<u>Name</u>	<u>Role</u>	
Clinton Bell	Chair	
Annette Williams	Secretary	
Julie Wright	Treasurer	
Ashley Davis	Trustee	
Susan Parrot	Trustee	
Reginald Boot	Trustee	Deceased 24 October 2025
David Ringham	Trustee	
Prof. Peter Davis	Trustee	
Mike Brooke	Trustee	

Charity's Objects

Crowland Leisure and Wellbeing Centre is a charity that provides a gym and Sports hall for physical exercise for the good of the community and extended area. The charity operates on a membership basis and is not for profit.

CROWLAND LEISURE & WELLBEING CENTRE CIO

Annual Report

for the year ended 31 October 2025

Charity Activities

During the period, Crowland Leisure & Wellbeing Centre continued to work towards achieving its charitable objectives. We are proud to report the following key activities and achievements:

- Sustained membership growth.
- Providing employment for the local community.
- Improving health and wellbeing for all members.
- Additional gym equipment purchased for the good and benefit of the members.
- The addition of a Pilates class for the good and benefit of the members.
- The addition of a Zumba class for the good and benefit of the members.
- Trampolining club –provides benefit to the community and generates income.
- Volleyball club – rental of the sports hall which will provide benefit to the community and generate additional income going into the next financial year.
- Roller Hockey
- Basketball – rental of the sports hall which will provide benefit to the community and generate additional income going into the next financial year.
- Pickle Ball – rental of the sports hall which will provide benefit to the community and generate additional income going into the next financial year.

Public benefit

The trustees have considered the Charity Commission's guidance on public benefit and believe that the objects of the Leisure & Wellbeing Centre and the activities undertaken support this public benefit.

Financial Review

Income

Total income for the period was £103,039 (2024; £77,093). This income was generated through gym use £65,214 (2024; £61,432), sports hall use £21,654 (2024; £15,661), and Grant income £15,965 (2024; £Nil).

Expenditure

Total expenditure for the period was £76,385 (2024; £67,316).

Expenditure was for funding our charitable activities, equipment maintenance costs and supporting the administration of the charity, with the main component being wages £49,751 (2024; £43,418) and increase in gym equipment purchased. Included in the balance sheet is £20,817 of capital additions purchased during the year.

Reserves

At the end of the financial period, the charity held a reserves surplus of £8,305 (2024; reserves deficit £18,349).

The charity does not have any restricted reserves and no specific reserves policy.

Governance

The charity is governed by a board of trustees who oversee its activities, ensuring compliance with legal and regulatory requirements. The operation is managed by an employed Centre Manager.

CROWLAND LEISURE & WELLBEING CENTRE CIO

Annual Report

for the year ended 31 October 2025

Future Plans

Looking ahead, Crowland Leisure & Wellbeing Centre has ambitious plans to further its charitable objectives. Since the end of the reporting period, the charity continues to exceed income over costs by a small surplus that will be used to fund future projects for the community and repay liabilities accrued during the early months.

The trustees are very optimistic about the future and the charity continues to welcome new members.

As at the time of writing this report the gym has around 299 members, mostly based in Crowland. There is a growing community at the Centre with classes provided and other activities.

South View Primary School continue to make use of the sports hall during term time for the benefit of the children, providing additional space for the school to deliver physical education.

The trustees and Centre Manager have a number of new initiatives in the pipeline that we hope to see taking shape over the coming months and years.

We would like to express our gratitude to Crowland Parish Council, supporters, volunteers, and staff for their dedication and commitment to the charity's mission and in particular, our Centre Manager, Alison Burton, for her dedication and commitment.

Trustees Responsibilities

The trustees are responsible for preparing the trustees' annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). Charity law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing these financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Academy will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Academy and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

For and on behalf of the board of trustees:

Clinton Bell – Chair

Date:

28/04/2026

**Independent Examiner's Report to the Trustees of
CROWLAND LEISURE & WELLBEING CENTRE CIO
For the year ended 31 October 2025**

I report to the charity trustees on my examination of the financial statements of the charity for the period ended 31 October 2025 which are set out on pages 6 to 13.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the financial statements in accordance with the requirement of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

CROWLAND LEISURE & WELLBEING CENTRE CIO

Notes to the Financial Statements for the year ended 31 October 2025

1. Accounting policies

(a) General information and basis of preparation

Crowland Leisure & Wellbeing Centre CIO is a Charitable Incorporated Organisation in England. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity. The address of the registered office is given in the charity information on page 1 of these financial statements.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011 and UK Generally Accepted Accounting Practice.

The financial statements are prepared on an accruals basis and a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling, which is the functional currency of the charity.

(b) Income recognition

All incoming resources are included on the Statement of Financial Activities when the charity is legally entitled to the income after any performance conditions have been met, and the amount can be measured reliably and it is probable that the income will be received.

Membership is taken from members via direct debit each month and there is no contracted period of membership.

Key fob deposit income is initially recognised as a liability until such a time that the deposit becomes non-fundable in line with the charity terms and conditions at which point it is then recognised as income.

Gifts in kind in the form of donated assets are included at the fair value to the charity where this can be quantified.

Income from donations or grants is recognised when there is evidence of entitlement, receipt is probable and its amount can be measured reliably.

(c) Expense recognition

Expenditure is included in the Statement of Financial Activities on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. The primary functional activity of the charity is the provision of a gym and Sports hall for physical exercise for the good of the community and extended area.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the accountancy fees and costs linked to the strategic management of the charity.

Support costs include all those overhead costs for utility services, and other services and costs, which are in support of the activity. They have been allocated to activity cost categories on a basis consistent with the use of resources.

CROWLAND LEISURE & WELLBEING CENTRE CIO

Notes to the Financial Statements for the year ended 31 October 2025

1. Accounting policies (*continued*)

(d) Gifts in Kind

Gifts in Kind are brought into the financial statements where there is either a reasonable estimate of their fair value to the funds or the amount which is actually realised. Where a value cannot be determined, or a reasonable estimate applied, the gift is not included in the Statement of Financial Activities.

No amount is included in the financial statements for volunteer time in line with the SORP (FRS 102).

(e) Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objectives of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

(f) Taxation

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

(g) Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Furniture, fixtures and fittings	-	25.00% reducing balance
Computer equipment	-	33.33% reducing balance

(h) Debtors and creditors receivable/payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

(i) Going concern

The financial statements have been prepared on a going concern basis as the Trustees believe that no material uncertainties exist. The Trustees have considered the level of funds held and the expected level of income and expenditure for the next 12 months from authorising the financial statements.

(j) Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

The useful economic life used to depreciate tangible fixed assets relates to the expected future performance of the assets acquired and management's estimate of the period over which economic benefit will be derived from the asset.

The residual value of an asset is the estimated fair value of that asset at the end of its useful economic life and therefore is also dependent upon the estimation of that life span.

CROWLAND LEISURE & WELLBEING CENTRE CIO

Notes to the Financial Statements (continued)

for the year ended 31 October 2025

CROWLAND LEISURE & WELLBEING CENTRE CIO

Annual Report

for the year ended 31 October 2024

Introduction

We are pleased to present the Charity Trustee's Report for the financial period ending 31 October 2024 for Crowland Leisure & Wellbeing Centre. This report is intended to provide an overview of the charity's activities, achievements, and financial performance during the period.

The trustees have adopted the provisions of the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019 in preparing the annual report and financial statements of the charity.

Charity Overview

Charity Name: Crowland Leisure & Wellbeing Centre

Registered Charity Number: 1194439

Principal Office Address: Parish Rooms, Hall Street, Crowland, Peterborough, PE6 0EN

Principal Operation Address: St Guthlac's Sports Hall, Crowland

Trustees

The Charity Trustees that held office during the period are as follows:

<u>Name</u>	<u>Role</u>	
Clinton Bell	Chair	Appointed 17 July 2024
Annette Williams	Secretary	
Julie Wright	Treasurer	Appointed 4 May 2024
Ashley Davis	Trustee	
Susan Parrot	Trustee	
Reginald Boot	Trustee	
David Ringham	Trustee	
Prof. Peter Davis	Trustee	
Mike Brooke	Trustee	Appointed 17 July 2024
Wayne Glenton	Trustee	Resigned 1 May 2024

Charity's Objects

Crowland Leisure and Wellbeing Centre is a charity that provides a gym and Sports hall for physical exercise for the good of the community and extended area. The charity operates on a membership basis and is not for profit.

CROWLAND LEISURE & WELLBEING CENTRE CIO

Annual Report

for the year ended 31 October 2024

Charity Activities

During the period, Crowland Leisure & Wellbeing Centre continued to work towards achieving its charitable objectives. We are proud to report the following key activities and achievements:

- Sustained membership growth.
- Providing employment for the local community.
- Improving health and wellbeing for all members.
- Additional gym equipment purchased for the good and benefit of the members.
- The addition of a Yoga class for the good and benefit of the members.
- The addition of a Zumba class for the good and benefit of the members.
- Trampolining club – increased hours for rental of sports hall which provides benefit to the community and generates income.
- Volleyball club – rental of the sports hall which will provide benefit to the community and generate additional income going into the next financial year.
- Roller Hockey

Public benefit

The trustees have considered the Charity Commission's guidance on public benefit and believe that the objects of the Leisure & Wellbeing Centre and the activities undertaken support this public benefit.

Financial Review

Income

Total income for the period was £77,093 (2023; £68,833).

This income was generated through gym use £61,432 (2023; £56,120) and sports hall use £15,661 (2023; £12,713).

Expenditure

Total expenditure for the period was £67,316 (2023; £72,940).

Expenditure was for funding our charitable activities, equipment maintenance costs and supporting the administration of the charity, with the main component being wages £43,418 (2023; £40,431) and the rise in energy prices.

Reserves

At the end of the financial period, the charity held a reserves deficit of £18,349 (2023; £28,126). This operational deficit has been financed by way of a long-term interest free loan from Crowland Parish Council who were pivotal in establishing the gym for the community having already converted the site for the purpose.

The charity does not have any restricted reserves and no specific reserves policy.

Governance

The charity is governed by a board of trustees who oversee its activities, ensuring compliance with legal and regulatory requirements. The operation is managed by an employed Centre Manager.

CROWLAND LEISURE & WELLBEING CENTRE CIO

Annual Report

for the year ended 31 October 2024

Future Plans

Looking ahead, Crowland Leisure & Wellbeing Centre has ambitious plans to further its charitable objectives. Since the end of the reporting period, the charity continues to exceed income over costs by a small surplus that will be used to fund future projects for the community and repay liabilities accrued during the early months.

The trustees are very optimistic about the future and the charity continues to welcome new members.

As at the time of writing this report the gym has around 240 members, mostly based in Crowland. There is a growing community at the Centre with classes provided and other activities.

South View Primary School continue to make use of the sports hall during term time for the benefit of the children, providing additional space for the school to deliver physical education.

The trustees and Centre Manager have a number of new initiatives in the pipeline that we hope to see taking shape over the coming months and years.

We would like to express our gratitude to Crowland Parish Council, supporters, volunteers, and staff for their dedication and commitment to the charity's mission. In particular, we would like to thank our Centre Manager, Alison Burton, for her dedication and commitment.

Trustees Responsibilities

The trustees are responsible for preparing the trustees' annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). Charity law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing these financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Academy will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Academy and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

For and on behalf of the board of trustees:

Clinton Bell – Chair

Date: 24 June 2025

**Independent Examiner's Report to the Trustees of
CROWLAND LEISURE & WELLBEING CENTRE CIO
For the year ended 31 October 2024**

I report to the charity trustees on my examination of the financial statements of the charity for the period ended 31 October 2024 which are set out on pages 6 to 13.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the financial statements in accordance with the requirement of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

CROWLAND LEISURE & WELLBEING CENTRE CIO

Notes to the Financial Statements for the year ended 31 October 2024

1. Accounting policies

(a) General information and basis of preparation

Crowland Leisure & Wellbeing Centre CIO is a Charitable Incorporated Organisation in England. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity. The address of the registered office is given in the charity information on page 1 of these financial statements.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011 and UK Generally Accepted Accounting Practice.

The financial statements are prepared on an accruals basis and a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling, which is the functional currency of the charity.

(b) Income recognition

All incoming resources are included on the Statement of Financial Activities when the charity is legally entitled to the income after any performance conditions have been met, and the amount can be measured reliably and it is probable that the income will be received.

Membership is taken from members via direct debit each month and there is no contracted period of membership.

Key fob deposit income is initially recognised as a liability until such a time that the deposit becomes non-fundable in line with the charity terms and conditions at which point it is then recognised as income.

Gifts in kind in the form of donated assets are included at the fair value to the charity where this can be quantified.

(c) Expense recognition

Expenditure is included in the Statement of Financial Activities on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. The primary functional activity of the charity is the provision of a gym and Sports hall for physical exercise for the good of the community and extended area.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the accountancy fees and costs linked to the strategic management of the charity.

Support costs include all those overhead costs for utility services, and other services and costs, which are in support of the activity. They have been allocated to activity cost categories on a basis consistent with the use of resources.

(d) Gifts in Kind

Gifts in Kind are brought into the financial statements where there is either a reasonable estimate of their fair value to the funds or the amount which is actually realised. Where a value cannot be determined, or a reasonable estimate applied, the gift is not included in the Statement of Financial Activities.

No amount is included in the financial statements for volunteer time in line with the SORP (FRS 102).

CROWLAND LEISURE & WELLBEING CENTRE CIO

Notes to the Financial Statements (continued)

for the year ended 31 October 2024

1. Accounting policies *(continued)*

(e) Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objectives of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

(f) Taxation

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

(g) Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Furniture, fixtures and fittings	-	25.00% reducing balance
Computer equipment	-	33.33% reducing balance

(h) Debtors and creditors receivable/payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

(i) Going concern

The financial statements have been prepared on a going concern basis as the Trustees believe that no material uncertainties exist. The Trustees have considered the level of funds held and the expected level of income and expenditure for the next 12 months from authorising the financial statements.

(j) Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

The useful economic life used to depreciate tangible fixed assets relates to the expected future performance of the assets acquired and management's estimate of the period over which economic benefit will be derived from the asset.

The residual value of an asset is the estimated fair value of that asset at the end of its useful economic life and therefore is also dependent upon the estimation of that life span.

Charity's Objects

Crowland Leisure and Wellbeing Centre is a charity that provides a gym and sports hall for physical exercise for the good of the community and extended area. The charity operates on a membership basis and is not for profit.

CROWLAND LEISURE & WELLBEING CENTRE CIO

Annual Report

for the year ended 31 October 2023

Charity Activities

During the year, Crowland Leisure & Wellbeing Centre continued to work towards achieving its charitable objectives. We are proud to report the following key activities and achievements:

- Sustained membership growth
- Providing employment for the local community
- Improving health and wellbeing for all members
- Additional gym equipment purchased for the good and benefit of the members
- Trampolining Club – Increased hours for rental of sports hall which provides benefit to the community and generates income
- Badminton Club – Rental of sports hall which provides benefit to the community and generates income
- Volleyball Club – Rental of the sports hall which will provide benefit to the community and generate additional income going into the next financial year.

Public benefit

The trustees have considered the Charity Commission's guidance on public benefit and believe that the objects of the Leisure & Wellbeing Centre and the activities undertaken support this public benefit.

Financial Review

Income

Total income for the period was £68,833 (2022; 40,414).

This income was generated through gym use £56,120 (2022; 31,191) and sports hall use £12,713 (2022; 9,223).

Expenditure

Total expenditure for the period was £72,940 (2022; £64,433).

Expenditure was for funding our charitable activities and supporting the administration of the charity, with the main component being wages and salaries £40,431 (2022; £41,872) and the rise in energy prices.

Reserves

At the end of the financial period, the charity held a reserves deficit of £28,126 (2022; £24,019). This operational deficit has been financed by way of a long term, interest free loan from Crowland Parish Council who were pivotal in establishing the gym for the community having already converted the site for the purpose.

The charity does not have any restricted reserves and no specific reserves policy.

Governance

The charity is governed by a board of trustees who oversee its activities, ensuring compliance with legal and regulatory requirements. The operation is managed by an employed Centre Manager.

Future Plans

Looking ahead, Crowland Leisure & Wellbeing Centre has ambitious plans to further its charitable objectives. Since the end of the reporting period, the charity has reached equilibrium where income exceeds costs by a small surplus that will be used to fund future projects for the community and repay liabilities accrued during the early months.

CROWLAND LEISURE & WELLBEING CENTRE CIO

Annual Report

for the year ended 31 October 2023

The trustees are very optimistic about the future and the charity continues to see a net member growth.

As at the time of writing this report the gym has around 258 members, mostly based in Crowland. There is a growing community at the Centre with classes provided and other activities.

South View Primary School continue to make use of the sports hall during term time for the benefit of the children, providing additional space for the school to deliver physical education.

The trustees and Centre Manager have a number of new initiatives in the pipeline that we should see taking shape over the coming months and years.

We would like to express our gratitude to Crowland Parish Council, supporters, volunteers, and staff for their dedication and commitment to the charity's mission. In particular we would like to thank our Centre Manager in post during the period, Alison Burton, for her dedication and commitment.

Trustees Responsibilities

The trustees are responsible for preparing the trustees' annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). Charity law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing these financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the CIO will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the CIO and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

For and on behalf of the board of trustees:

Clinton Bell – Chair

Date: 15 August 2024

Independent Examiner's Report to the Trustees of
CROWLAND LEISURE & WELLBEING CENTRE CIO
For the year ended 31 October 2023

I report to the charity trustees on my examination of the financial statements of the charity for the period ended 31 October 2023 which are set out on pages 6 to 13.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the financial statements in accordance with the requirement of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

CROWLAND LEISURE & WELLBEING CENTRE CIO

Notes to the Financial Statements for the year ended 31 October 2023

1. Accounting policies

(a) General information and basis of preparation

Crowland Leisure & Wellbeing Centre CIO is a Charitable Incorporated Organisation in England. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity. The address of the registered office is given in the charity information on page 1 of these financial statements.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011 and UK Generally Accepted Accounting Practice.

The financial statements are prepared on an accruals basis and a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling, which is the functional currency of the charity.

(b) Income recognition

All incoming resources are included on the Statement of Financial Activities when the charity is legally entitled to the income after any performance conditions have been met, and the amount can be measured reliably and it is probable that the income will be received.

Membership is taken from members via direct debit each month and there is no contracted period of membership.

Gifts in kind in the form of donated assets are included at the fair value to the charity where this can be quantified.

(c) Expense recognition

Expenditure is included in the Statement of Financial Activities on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. The primary functional activity of the charity is the provision of a gym and Sports hall for physical exercise for the good of the community and extended area.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the accountancy fees and costs linked to the strategic management of the charity.

Support costs include all those overhead costs for utility services, and other services and costs, which are in support of the activity. They have been allocated to activity cost categories on a basis consistent with the use of resources.

(d) Gifts in Kind

Gifts in Kind are brought into the financial statements where there is either a reasonable estimate of their fair value to the funds or the amount which is actually realised. Where a value cannot be determined, or a reasonable estimate applied, the gift is not included in the Statement of Financial Activities.

No amount is included in the financial statements for volunteer time in line with the SORP (FRS 102).

CROWLAND LEISURE & WELLBEING CENTRE CIO
Notes to the Financial Statements (continued)
for the year ended 31 October 2023

1. Accounting policies (continued)

(e) Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objectives of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

(f) Taxation

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

(g) Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Furniture, fixtures and fittings	-	25.00% reducing balance
Computer equipment	-	33.33% reducing balance

(h) Debtors and creditors receivable/payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

(i) Going concern

The financial statements have been prepared on a going concern basis as the Trustees believe that no material uncertainties exist. The Trustees have considered the level of funds held and the expected level of income and expenditure for the next 12 months from authorising the financial statements.

(j) Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

The useful economic life used to depreciate tangible fixed assets relates to the expected future performance of the assets acquired and management's estimate of the period over which economic benefit will be derived from the asset.

The residual value of an asset is the estimated fair value of that asset at the end of its useful economic life and therefore is also dependent upon the estimation of that life span.

CROWLAND LEISURE & WELLBEING CENTRE CIO

Annual Report

for the period ended 31 October 2022

Introduction

We are pleased to present the Charity Trustee's Report for financial period ending 31 October 2022 for Crowland Leisure & Wellbeing Centre. This report is intended to provide an overview of the charity's activities, achievements, and financial performance during the period.

The trustees have adopted the provisions of the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019 in preparing the annual report and financial statements of the charity.

Charity Overview

Charity Name: Crowland Leisure & Wellbeing Centre

Registered Charity Number: 1194439

Principal Office Address: Parish Rooms, Hall Street, Crowland, Peterborough, PE6 0EN

Principal Operation Address: St Guthlac's Sports Hall, Crowland

Trustees

The Charity Trustees that held office during the period are as follows:

Name	Role	Date of appointment
WAYNE GLENTON	Chair	01 September 2021
DAVID MURPHY	Trustee	27 July 2022
ASHLEY DAVIS	Trustee	18 December 2020
ANNETTE WILLIAMS	Trustee	17 December 2020
SUSAN PARROT	Trustee	16 December 2020
REGINALD BOOT	Trustee	14 December 2020
DAVID RINGHAM	Trustee	12 December 2020

Mr David Murphy resigned as trustee after the reporting date but before the date of signing of the accounts, on 19 May 2023.

Charity's Objects

Crowland Leisure and Wellbeing Centre is a charity that provides a gym and Sports hall for physical exercise for the good of the community and extended area. The charity operates on a membership basis and is not for profit.

CROWLAND LEISURE & WELLBEING CENTRE CIO

Annual Report

for the period ended 31 October 2022

Charity Activities

During the period, Crowland Leisure & Wellbeing Centre continued to work towards achieving its charitable objectives. We are proud to report the following key activities and achievements:

1. Initial set up of the charity and creation of the organisation.
2. Sustained membership growth month on month.
3. Providing employment for the local community.
4. Improving health and wellbeing for all members.

Public benefit

The trustees have considered the Charity Commission's guidance on public benefit and believe that the objects of the Leisure & Wellbeing Centre and the activities undertaken support this public benefit.

The trustees consider that the full details of the public benefit have been displayed within the charity activities and future development planned.

Financial Review

Income

Total income for the period was £40,414.

This income was generated through gym use £31,191 and sports hall use £9,223.

Expenditure

Total expenditure for the period was £64,433.

Expenditure was the funding our charitable activities and supporting the administration of the charity, with the main component being wages and salaries £41,872.

Reserves

At the end of the financial period, the charity held a reserves deficit of £(24,019). This deficit has arisen due to wages costs in advance of memberships and is in line with the original charity financial plan in year 1. This operational deficit has been financed by way of long term, interest free loan from Crowland Parish Council who were pivotal in establishing the gym for the community having already converted the site for the purpose.

The charity does not have any restricted reserves and no specific reserves policy.

Governance

The charity is governed by a board of trustees who oversee its activities, ensuring compliance with legal and regulatory requirements. The operation is managed by an employed Centre Manager.

Future Plans

Looking ahead, Crowland Leisure & Wellbeing Centre has ambitious plans to further its charitable objectives. Since the end of the reporting period, the charity has reached equilibrium where income exceeds costs by a small surplus that will be used to fund future projects for the community and repay liabilities accrued during the early months.

The trustees are very optimistic about the future and the charity continues to see a net member growth each month.

As at the time of writing this report the gym has around 250 members, mostly based in Crowland. There is a growing community at the Centre with classes provided and other activities.

CROWLAND LEISURE & WELLBEING CENTRE CIO

Annual Report

for the period ended 31 October 2022

In addition, we are very pleased to have arranged with South View Primary School that they will use the sports hall during term time for the benefit of the children, providing additional space for the school to deliver physical education.

The trustees and Centre Manager have a number of new initiatives in the pipeline that we should see taking shape over the coming months and years.

We would like to express our gratitude to Crowland Parish Council, supporters, volunteers, and staff for their dedication and commitment to the charity's mission. In particular we would like to thank our Centre Manager in post during the period, Johanna Paice, for her dedication and commitment during the formation of this amazing new part of Crowland.

Trustees Responsibilities

The trustees are responsible for preparing the trustees' annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). Charity law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing these financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Academy will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Academy and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

For and on behalf of the board of trustees:

W. Glenton – Chair & Treasurer

Date: 9/11/23

**Independent Examiner's Report to the Trustees of
CROWLAND LEISURE & WELLBEING CENTRE CIO
For the period ended 31 October 2022**

I report to the charity trustees on my examination of the financial statements of the charity for the period ended 31 October 2022 which are set out on pages 6 to 12.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the financial statements in accordance with the requirement of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

 W Glenton – Chair & Treasurer
 Trustee

 A Williams - Secretary
 Trustee

The notes on pages 8 - 12 form part of these financial statements.

CROWLAND LEISURE & WELLBEING CENTRE CIO

Notes to the Financial Statements for the period ended 31 October 2022

1. Accounting policies

(a) General information and basis of preparation

Crowland Leisure & Wellbeing Centre CIO is a Charitable Incorporated Organisation in England. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity. The address of the registered office is given in the charity information on page 1 of these financial statements.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011 and UK Generally Accepted Accounting Practice.

The financial statements are prepared on an accruals basis and a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling, which is the functional currency of the charity.

(b) Income recognition

All incoming resources are included on the Statement of Financial Activities when the charity is legally entitled to the income after any performance conditions have been met, and the amount can be measured reliably and it is probable that the income will be received.

Membership is taken from members via direct debit each month and there is no contracted period of membership.

Gifts in kind in the form of donated assets are included at the fair value to the charity where this can be quantified.

(c) Expense recognition

Expenditure is included in the Statement of Financial Activities on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. The primary functional activity of the charity is the provision of a gym and Sports hall for physical exercise for the good of the community and extended area.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the accountancy fees and costs linked to the strategic management of the charity.

Support costs include all those overhead costs for utility services, and other services and costs, which are in support of the activity. They have been allocated to activity cost categories on a basis consistent with the use of resources.

(d) Gifts in Kind

Gifts in Kind are brought into the financial statements where there is either a reasonable estimate of their fair value to the funds or the amount which is actually realised. Where a value cannot be determined, or a reasonable estimate applied, the gift is not included in the Statement of Financial Activities.

No amount is included in the financial statements for volunteer time in line with the SORP (FRS 102).

CROWLAND LEISURE & WELLBEING CENTRE CIO

Notes to the Financial Statements (continued)

for the period ended 31 October 2022

1. Accounting policies (continued)

(e) Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objectives of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

(f) Taxation

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

(g) Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Furniture, fixtures and fittings	-	25.00% reducing balance
Computer equipment	-	33.33% reducing balance

(h) Debtors and creditors receivable/payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

(i) Going concern

The financial statements have been prepared on a going concern basis as the Trustees believe that no material uncertainties exist. The Trustees have considered the level of funds held and the expected level of income and expenditure for the next 12 months from authorising the financial statements.

(j) Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

The useful economic life used to depreciate tangible fixed assets relates to the expected future performance of the assets acquired and management's estimate of the period over which economic benefit will be derived from the asset.

The residual value of an asset is the estimated fair value of that asset at the end of its useful economic life and therefore is also dependent upon the estimation of that life span.
