

TRAMWAY PRESERVATION GROUP

ANNUAL REPORT

1st April 2022 to 31st March 2023

Name of Charity:

Tramway Preservation Group

Charity Registration Number:

1194440

Date of Registration:

12th May 2021

Trustees During the Year:

Paul Greenwood

Alan M Greenhalgh

Julia M Brown

Activities and Objectives in Year:

The tramcar is on loan to Blackpool Transport Services and is on display as part of the Tramtown Heritage Centre. Tramtown conducts regular guided tours of the Depot and Workshops. The guides have been fully briefed about the history and aspirations for the tram. During the course of the year around 2,500 visitors have had the opportunity to view the tram.

The tram is scheduled for workshop space in a year's time, when restoration will be commenced. There may be some delay in this as the workshop is due to undergo some changes as part of the conversion of Blackpool buses from diesel to electric. This process is impacting on much of the infrastructure of the site.

Financial Review:

There was no financial activity during the course of the year.

The Charity does not currently have any funds.
