

TRAMWAY PRESERVATION GROUP

ANNUAL REPORT

1st April 2023 to 31st March 2024

Name of Charity:

Tramway Preservation Group

Charity Registration Number:

1194440

Date of Registration:

12th May 2021

Trustees During the Year:

Paul Greenwood

Alan M Greenhalgh (Resigned)

Julia M Brown

Activities and Objectives in Year:

The tramcar is on loan to Blackpool Transport Services and is on display as part of the Tramtown Heritage Centre. Tramtown conducts regular guided tours of the Depot and Workshops. The guides have been fully briefed about the history and aspirations for the tram. During the course of the year around 3,000 visitors have had the opportunity to view the tram.

The tram was scheduled for workshop space during the course of the year when restoration was to be commenced. This is due to various infrastructure problems in the workshops and continued uncertainty about which buildings will remain and for how long once the installation of electric bus charging points is commenced.

We are hopeful that these issues may be resolved shortly.

Financial Review:

There was no financial activity during the course of the year.

The Charity does not currently have any funds.

We are anticipating receipt of around £25k from a charity which is in process of being dissolved.
