

Baildon and Shipley Mens shed report April 2024 – April 2025.

The last 12 months have been a busy time for the mens shed.

We have been involved in numerous projects to benefit the local community.

Major projects including a Market stall for Bradford 2025,

A model tram for Baildon scarecrow festival.

Joint working with Sands charity building benches.

from the main workshop.

Improvements to the site have included a new machine shop to the rear and a reroof to the side extension.

These have made the facilities much safer, a having a dedicated power tool room. Also an area for sanding away

We have held stalls at the Baildon Carnival and Horticultural show.

Numbers fluctuation between 8 – 15. We continue to support several chaps with low level LD, who need help managing their chronic conditions by both exercise and gentle advice.

Ladies Shed

Ladies Shed has been a great place of friendship, chatter and making, both individual projects and group projects such as log Reindeer and dogs, planters, caddies etc. numbers are between 4- 8.
