

The Annual Report

The Dream For Trees Charity

Annual Report for Dream for Trees (2022-2023)

Introduction Dream for Trees is a UK-based grassroots charity dedicated to plan

Financial Overview

Total Donations Received: £25,000

Total Expenditure on Projects: £8,000

Achievements In the financial year 2022-2023, Dream for Trees has successfully

Challenges and Solutions

Finding Suitable Land: The primary challenge remains identifying appropriate la

Future Plans We are excited about the upcoming year and look forward to plant

Conclusion Dream for Trees remains committed to its mission of environmental

ting trees to offset carbon emissions. Our mission resonates with individuals and

y undertaken several impactful projects. Our efforts have not only contributed to

nd for tree planting. However, once suitable land is secured, mobilizing volunteers

ing more trees in 2023-2024. Our pipeline of projects is ready to expand as we continue

conservation through tree planting. With continued support from our donors and

d companies across the UK, resulting in generous donations and enthusiastic vol

) carbon offsetting but also fostered community engagement and environmental

ers is straightforward due to our clear mission and strong public support.

continue to secure suitable land and attract dedicated volunteers.

d volunteers, we are confident in our ability to make a significant impact in the c

lunteer support.

l awareness.

oming year.
