

Jesus the Water of Life Ministries

Trustees Annual Report for the period ending 08th March 2024

Objectives and activities

As years go by, our determination to see as many people as the Lord will allow, hear the good news of Jesus Christ, is growing even more. Brethren can do so by connecting with us online. This is because we are still to get a hall to worship in person. We trust that lives will be transformed for the better by listening to those inspired preachings / messages.

Our fundamental objective is the advancement of Christian faith for the public benefit in accordance with our statement of faith.

This objective entails the following: the relief of those in need by reason of youth, age, ill-health, disability, financial hardship, social and economic disadvantages. the prevention or relief of poverty.

Our Achievement and performance

All our missions are focused on evangelism.

England

Preaching online and organising in person evangelism program. The aim is to eventually hold weekly services. Most of our services activities are broadcast live on our Facebook page allowing more people to follow us

Congo

Evangelism program in Democratic Republic of Congo in January 2024. The Gospel of Jesus Christ was preached. Following the program we are pleased to announce that weekly services are still held.

Financial review

We received donation of £7,500. This enabled us to hold our evangelism in the UK as well as outside the UK. Expenses amounted to £7,500 allowing us to stay just about afloat.

Administrative information

Jesus the Water of Life Ministries is registered at 39 Alfriston Avenue, CR0 3DD. Regular sermons preached online while we look for a hall to hold services.
