Independent Examiner's Report to the Executive of Montserrat Patrons Society

We report on the accounts of Montserrat Patron Society for the year ended 31st July 2022, which is set out on pages 10-12.

Respective responsibilities of executives and examiner

The Company's executive is responsible for the preparation of the accounts. They consider that an audit is not required for this period under the articles, but Section 6(b) of the Articles states that distributions etc must be in accordance with such provisions as are contained in Part IV of the Companies Act as shall be applicable and noted that an independent examination is needed.

It is our responsibility to:

- examine the accounts under Companies Act.
- to follow the procedures laid down by the International Financial Reporting Standards (IFRS); and
- to state whether matters have come to our attention.

Basis of independent examiner's report

An examination includes a review of the accounting records kept by the Company. It also includes consideration of any unusual items or disclosures in the accounts. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with our examination, no matter has come to our attention:

- 1) which gives us reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records and
 - to prepare accounts which accord with the accounting records and comply with the accounting have not been met; or
- 2) to which, in our opinion, attention should be drawn to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

Notes forming part of the Financial Statements for the year ended 31st July 2022

1. Registration of the Charitable Incorporated Organisation

Charitable Incorporated Organisations or CIOs are a relatively new legal structure available for charities or charitable groups that wished to be incorporated available for charities or charitable groups that wish to be incorporated.

It can be picked instead of registering as a charity and then as a company

CIOs have been designed specifically for charitable groups, allowing them to register just once with the Charity Commission as an incorporated form of charity which is not a company.

This cuts out the need to register with and report to Companies House.

CIO members still have key rights in law and under the Constitution and trustees are still responsible for managing the organisation (note that trustees for CIOs will only be trustees, they will not have the dual role of the Company Director.

The principal accounting policies are summarised below.

The accounting policies have been applied consistently throughout the year and in the preceding year.

a. Basis of accounting

The financial statements have been prepared under the historical cost convention, as modified by the inclusion of fixed asset investments at market value, and in accordance with the Companies Act 1985 and the Statement of Recommended Practice: Accounting and Reporting by Charities issued in March 2005.

b. Fund accounting

- i. Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.
- ii. Designated funds are unrestricted funds earmarked by the Management Committee for particular purposes.
- iii. Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

MONTSERRAT PATRONS SOCIETY

c. Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to, and virtually certain to receive, the income and the amount can be quantified with reasonable accuracy. The following policies are applied to particular categories of income:

- i. Voluntary income is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.
- ii. Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.
- iii. Incoming resources from charitable trading activity are accounted for when earned.

d. Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

- i. Costs of generating funds comprise the costs associated with attracting voluntary income.
- ii. Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- iii. Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the accounting fees and costs linked to the strategic management of the charity.
- iv. All costs are allocated between the expenditure categories of the SOFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly.

e. Fixed assets

Fixed assets are stated at cost or valuation less accumulated depreciation where appropriate. The costs of minor additions or those costing below £100 are not capitalised. Depreciation is provided at rates calculated to write off the cost/ valuation of each asset over its expected useful life.
